

# Crazy In Love

When you see him every time you close your eyes... when his is the only voice that echoes in your mind even in a crowd... when his touch lingers on your soul even when you are alone... when you feel his eyes adoring you even when he's not there... when his fragrance is mingled with your every breath and completely intoxicates you... when you feel him whispering sweetly in your ear... when you get butterflies with the mention of his name... when your days seem too long without him because you want to spend every single moment with him... when you can't stop thoughts of him invading your mind... That is when you know that you are deeply, madly and crazily in love with him. Never let him go.
