Crazy Man Michael:

All the Madmen Clinton Heylin, 2012-02-16 By the end of 1968 The Beatles were far too busy squabbling with each other while The Stones had simply stopped making music English Rock was coming to an end All the Mad Men tells the story of six stars that travelled to edge of sanity in the years following the summer of love Pete Townshend Ray Davies Peter Green Syd Barrett Nick Drake and David Bowie The book charts how they made some of the most seminal rock music ever recorded Pink Moon Ziggy Stardust Quadrophenia Dark Side of the Moon Muswell Hillbillies and how some of them could not make it back from the brink The extraordinary story of how English Rock went mad and found itself *Redeeming Love* Francine Rivers, 2009-08-04 1 NATIONAL BESTSELLER NOW A MAJOR MOTION PICTURE The classic story that has captured the hearts of millions worldwide a tragically wounded soul the man called to marry her and the only love that heals all A literary masterpiece reminding us that God's love is unconditional Debbie Macomber California's gold country 1850 A time when men sold their souls for a bag of gold and women sold their bodies for a place to sleep Angel expects nothing from men but betrayal Sold into prostitution as a child she survives by keeping her hatred alive And what she hates most are the men who use her leaving her empty and dead inside Then she meets Michael Hosea a man who seeks his Father's heart in everything Michael obeys God's call to marry Angel and to love her unconditionally Slowly day by day he defies Angel's every bitter expectation until despite her resistance her frozen heart begins to thaw But with her unexpected softening comes overwhelming feelings of unworthiness and fear And so Angel runs Back to the darkness away from her husband's pursuing love terrified of the truth she no longer can deny her final healing must come from the One who loves her even more than Michael does the One who will never let her go A powerful retelling of the story of Gomer and Hosea Redeeming Love is a life changing story of God's unconditional redemptive all consuming love Includes a six part reading group guide *No More Sad Refrains: The Life and Times of Sandy Denny* Clinton Heylin, 2011-09-23 Clinton Heylin's biography No More Sad Refrains draws on hours of interviews with Sandy's closest friends and musical collaborators access to her diaries and unreleased work to produce a moving portrait of a complex driven but fatally flawed genius who remains the finest female singer songwriter this country has ever produced About The Artist Sandy Denny provided the original vocals alongside Robert Plant for the classic Led Zeppelin song The Battle Of Evermore Island Records released a limited edition nineteen CD retrospective of Denny's work in 2010 She was a perfect British folk voice Pete Townshend My favourite singer out of all the British girls that ever were Robert Plant About The Author Clinton Heylin is one of the most respected rock historians writing today He is the author of acclaimed biographies of Bob Dylan Sandy Denny and Van Morrison He was nominated for the Ralph J Gleason award for his Bob Dylan The Recording Sessions **Brother Against Brother** Bernard Francis Moore, 1898 *Collection of Plays Ca. 1870-1914*, 1901 **Electric Folk** Britta Sweers, 2005-01-13 In the 1960s and 1970s a number of British musicians rediscovered traditional folk ballads fusing the old melodies with rock jazz and blues styles to

create a new genre dubbed electric folk or British folk rock This revival featured groups such as Steeleye Span Fairport Convention and Pentangle and individual performers like Shirley Dolly Collins and Richard Thompson While making music in multiple styles they had one thing in common they were all based on traditional English song and dance material These new arrangements of an old repertoire created a unique musical voice within the popular mainstream After reasonable commercial success peaking with Steeleye Span s Top 10 album All Around My Hat Electric Folk disappeared from mainstream notice in the late 1970s yet performers continue to create today In Electric Folk The Changing Face of English Traditional Music Britta Sweers provides an illuminating history and fascinating analysis of the unique features of the electric folk scene exploring its musical styles and cultural implications Drawing on rare historical sources contemporary music journalism and first hand interviews with several of electric folk s most prominent artists Sweers argues that electric folk is both a result of the American folk revival of the early 1960s and a reaction against the dominance of American pop music abroad Young British folk rockers such as Richard Thompson and Maddy Prior turned to traditional musical material as a means of asserting their British cultural identity Yet unlike many American and British folk revivalists they were not as interested in the purity of folk ballads as in the music s potential for lively interaction with modern styles instruments and media The book also delves into the impact of the British folk rock movement on mainstream pop American rock music and neighboring European countries Ultimately Sweers creates a richly detailed portrait of the electric folk scene as cultural phenomenon commercial entity and performance style
