Creance De Sang:

The Imagined, the Imaginary and the Symbolic Maurice Godelier,2020-01-28 Exploring the close relationship between the real and the symbolic and imaginary What you imagined is not always imaginary but everything that is imaginary is imagined It is by imagining that people make the impossible become possible In mythology or religion however those things that are imagined are never experienced as being imaginary by believers The realm of the imagined is even more real than the real it is super real surreal L vi Strauss held that the real the symbolic and the imaginary are three separate orders Maurice Godelier demonstrates the contrary that the real is not separate from the symbolic and the imaginary For instance for a portion of humanity rituals and sacred objects and places attest to the reality and therefore the truth that God gods or spirits exist The symbolic enables people to signify what they think and do encompassing thought spilling over into the whole body but also pervading temples palaces tools foods mountains the sea the sky and the earth It is real Godelier s book goes to the strategic heart of the social sciences for to examine the nature and role of the imaginary and the symbolic is also to attempt to account for the basic components of all societies and ultimately of human existence And these aspects in turn shape our social and personal identity
