The Alchemy of Intention From the Introduction Where intention goes energy flows Because of how energy functions we are each engaged in co creation with the life force If you want your life to be sacred you need to set the intention for it to be so Setting an intention is like speaking to the Divine through a megaphone It gets the message across more clearly This is the true secret behind creating a home sanctuary Altars and shrines are incredible spiritual tools because they anchor our feelings and thoughts so we become very clear and specific about what we want Ultimately whatever we focus on appears in the material world Creating a sacred space in your home is an opportunity to connect your intimate environment with the realm of the Divine so that your soul is supported and nourished and has freedom to express and flourish

Creating Sacred Space Amanda Gibby Peters, 2018-03 If you ve never created sacred space at first blush the concept sounds woo Truth is simple rituals have been used for centuries to dispel unwanted vibes and restore energetic integrity within an environment Creating sacred space whatever the ritual makes magic happen It is simply a celebration lathering BIG LOVE throughout a home No matter the reason we arrive at shui s shore there is usually a familiar undercurrent we ve lost momentum somewhere in our lives and we want that otherworldly flow back Space clearing is a bewitching way to raise our spirits And it s not necessary to understand how it works for us to use it Whatever ritual or combination of rituals shared in this workbook resonates with you take its hand and trust the magic Because however you filter out hazy energy or heavy vibes it s a beautiful new beginning the kind that gets our attention Every time
