Schoenecke, Deborah A. Carmichael**

Creating The National Pastime Baseball Transforms Itself 1903 1953:

Creating the National Pastime G. Edward White, 2014-04-10 At a time when many baseball fans wish for the game to return to a purer past G Edward White shows how seemingly irrational business decisions inspired in part by the self interest of the owners but also by their nostalgia for the game transformed baseball into the national pastime Not simply a professional sport baseball has been treated as a focus of childhood rituals and an emblem of American individuality and fair play throughout much of the twentieth century It started out however as a marginal urban sport associated with drinking and gambling White describes its progression to an almost mythic status as an idyllic game popular among people of all ages and classes He then recounts the owner s efforts often supported by the legal system to preserve this image Baseball grew up in the midst of urban industrialization during the Progressive Era and the emerging steel and concrete baseball parks encapsulated feelings of neighborliness and associations with the rural leisure of bygone times According to White these nostalgic themes together with personal financial concerns guided owners toward practices that in retrospect appear unfair to players and detrimental to the progress of the game Reserve clauses blacklisting and limiting franchise territories for example were meant to keep a consistent roster of players on a team build fan loyalty and maintain the game s local flavor These practices also violated anti trust laws and significantly restricted the economic power of the players Owners vigorously fought against innovations ranging from the night games and radio broadcasts to the inclusion of African American players Nonetheless the image of baseball as a spirited civic endeavor persisted even in the face of outright corruption as witnessed in the courts leniency toward the participants in the Black Sox scandal of 1919 White s story of baseball is intertwined with changes in technology and business in America and with changing attitudes toward race and ethnicity The time is fast approaching he concludes when we must consider whether baseball is still regarded as the national pastime and whether protecting its image is worth the effort

Baseball's Creation Myth Brian Martin, 2013-05-28 The story about baseball s being invented in Cooperstown New York in 1839 by Abner Doubleday served to prove that the U S national pastime was an American game not derived from the English children s game of rounders as had been believed The tale embraced by Americans has long been proven false but to this day Cooperstown is celebrated as the birthplace of baseball The story has captured the hearts of millions But who spun that tale and why This book provides a surprising answer about the origins of America s most durable myth It seems that Abner Graves who espoused Cooperstown as the birthplace of the game likely was inspired by another story about an early game of baseball The stories were remarkably similar as were the men who told them For the first time this book links the stories and lives of Graves a mining engineer and Adam Ford a medical doctor both residents of Denver Colorado While the actual origins of the game of baseball remain subject to debate and study new light is shed on the source of baseball s durable creation myth

Babe Ruth and the Creation of the Celebrity Athlete Thomas Barthel, 2018-07-30 From his first year in the majors George Herman Babe Ruth knew he could profit from celebrity Babe

Ruth Cigars in 1915 marked his first attempt to cash in. Traded to the Yankees in 1920 he soon signed with Christy Walsh, baseball's first publicity agent. Walsh realized that stories of great deeds in sports were a commodity and in 1921 sold Ruth's ghostwritten byline to a newspaper syndicate for 15,000. 187,000 today Ruth hit home runs while Walsh's writers made him a hero, crafting his public image as a lovable scalawag. Were the stories true? It didn't matter; they sold. Many survive but have never been scrutinized until now. Drawing on primary sources, this book examines the stories, separating exaggerated facts from clear falsehoods. This book traces Ruth's ascendance as the first great media-created superstar and celebrity product endorser.

Herb Pennock Keith Craig, 2016-04-29 Herbert Jefferis Pennock, 1894-1948, was a Hall of Fame pitcher for the dynastic 1920s New York Yankees. Considered one of the best left-handed pitchers in history, Pennock won 241 games on the mound, never lost in his five World Series starts, and came within four outs of pitching the first no-hitter in a World Series in 1927. More than just a great pitcher, Pennock was well-respected by teammates and locals alike. He was known as a principled, practical gentleman with an intellect that matched his pitching skills and a humanity that bested both. In *Herb Pennock: Baseball's Faultless Pitcher*, Keith Craig recounts Pennock's ascent from well-to-do Kennett Square to the heights of major league baseball. Signed by the Philadelphia A's legendary Connie Mack as an 18-year-old school boy, Pennock would flourish into a dependable pitcher for the New York Yankees. He was part of the iconic Murderer's Row team and played a crucial role in their World Series victories. For 22 seasons, Pennock's forte was control, not power; he studied each hitter every at-bat and exploited all weaknesses. When Pennock's playing career came to an end, he used that same single-minded diligence as the General Manager of the woeful Philadelphia Phillies, where he reinvented the team through the careful development of its farm system that resulted in the 1950 pennant-winning Whiz Kids. Including interviews with Pennock's family members and Kennett Square residents who personally knew the baseball legend, *Herb Pennock: Baseball's Faultless Pitcher* is the first biography to paint such a complete picture of Pennock and the times he lived in. Featuring original photographs provided by his family, this book delivers an invaluable look into the life of a great ballplayer, savvy front-office executive, and honorable man.

A Companion to American Sport History Steven A. Riess, 2014-03-26 *A Companion to American Sport History* presents a collection of original essays that represent the first comprehensive analysis of scholarship relating to the growing field of American sport history. Presents the first complete analysis of the scholarship relating to the academic history of American sport. Features contributions from many of the finest scholars working in the field of American sport history. Includes coverage of the chronology of sports from colonial times to the present day, including major sports such as baseball, football, basketball, boxing, golf, motor racing, tennis, and track and field. Addresses the relationship of sports to urbanization, technology, gender, race, social class, and genres such as sports biography. Awarded 2015 Best Anthology from the North American Society for Sport History (NASSH).

George Weiss Burton A. Boxerman, Benita W. Boxerman, 2016-08-08 The New York Yankees were the strongest team in the majors from 1948 through 1960, capturing the American League Pennant

10 times and winning seven World Championships The average fan when asked who made the team so dominant will mention Joe DiMaggio Yogi Berra Whitey Ford or Mickey Mantle Some will insist manager Casey Stengel was the key But pundits at the time and respected historians today consider the shy often taciturn George Martin Weiss the real genius behind the Yankees success Weiss loved baseball but lacked the ability to play He made up for it with the savvy to run a team better than his competitors He spent more than 50 years in the game including nearly 30 with the Yankees Before becoming their general manager he created their superlative farm system that supplied the club with talented players When the Yankees retired him at 67 the newly franchised New York Mets immediately hired him to build their team This book is the first definitive biography of Weiss a Hall of Famer hailed for contributing as much to baseball as any man the game could ever know

One Man Out Robert Michael Goldman,2008 Chronicles star baseball player Curt Flood s attempt to overthrow the reserve clause system of professional baseball which bound players to teams as a form of property Although he lost his legal battle the Court left the door open for the players to eventually negotiate a version of free agency

The First World Series and the Baseball Fanatics of 1903 Roger I. Abrams,2003 Baseball s fall classic was born in October 1903 when the Boston Americans the American League champions and the Pittsburgh Pirates the National League pennant winners played the first World Series The games drew thousands of loyal high spirited fans to the Huntington Avenue Grounds in Boston the Athens of America and to Exposition Park in Pittsburgh the Smokey City Local newspapers of the day devoted as much coverage to the shenanigans of the spectators as they did to the exciting action on the diamond In this vivid and lively account Roger I Abrams recaptures the drama and color of this historic sporting event He shows how the series which was won in eight games by the Boston Americans provides a unique lens to view American life and culture at the dawn of the twentieth century This is a fascinating story brimming with colorful larger than life characters legendary players Honus Wagner Cy Young Jimmy Collins Fred Clarke Big Bill Dineen and Deacon Phillippe on the field and Mike Nuf Ced McGreevey Honey Fitz Fitzgerald and the boisterous Boston Royal Rooters cheering chanting and singing in the grandstands This is also the story of how the po

The Black Athlete as Hero Joseph Dorinson,2022-11-09 Part history part biography this study examines the Black athlete s search to unify what W E B DuBois called the two unreconciled strivings of African Americans the struggle to survive in black society while adapting to white society Black athletes have served as vanguards of change challenging the dominant culture crossing social boundaries and raising political awareness Champions like Joe Louis Jackie Robinson Muhammad Ali Jim Brown Wilma Rudolph Roberto Clemente Althea Gibson Arthur Ashe Serena Williams Kareem Abdul Jabbar and LeBron James make a difference even as many in the Black community question the idea of athletes as role models The author argues the importance of sports heroes in a panic plagued era beset with class division and racial privilege
