Popovich,Jack A. Brizius,1998-04-03 The more than three dozen cases presented here will help you understand what high performance organizations are and develop a clearer understanding of the preconditions to major change the steps essential to getting started and ways to overcome common roadblocks This book details the eight characteristics common to high performance agencies illustrating each with concrete examples Unfear: Transform Your Organization to Create Breakthrough Performance and Employee Well-Being Gaurav Bhatnagar,Mark Minukas,2021-10-26 Two top experts on high performing organizations show you how to reframe your and your employees relationship with fear and anxiety to create a learning culture of engaged workers at the top of their game Fear and uncertainty have been undermining performance and well being in the workplace for as long as we have had workplaces Here s a little known fact of business mismanaged fear is responsible for almost all of the dysfunction that most organizations experience While fear can drive short term results it does so at the cost of high employee burnout and turnover It also undermines long term business performance But we can t eradicate it entirely it is inherent to the human condition Winning organizations aren t fear free they know how to reframe fear into opportunities for learning and growth They create resilient cultures of unfear In this timely and essential guide McKinsey alumni Gaurav Bhatnagar and Mark Minukas show leaders The impact of fear its biological underpinnings and the archetypes through which it is expressed as patterns of behavior in organizations The strategies techniques and actions to bring about an unfear transformation The process begins with yourself how to become an unfear individual Transformation doesn t start with systems and structures but with mindsets and behavior how to build unfear teams Employee well being leads to high performance for your business how to build unfear organizations This proven approach to workplace anxiety reduces stress boosts engagement and overcomes obstacles that get in the way of success It leads to personal rewards greater profits and sustainable growth This is only possible with a culture of unfear **Building High-performance People and Organizations** Martha I. Finney,2008 Business success depends on employee innovation drive skill endurance and dedication Engaged employees studies show provide tangible advantages to the organization and its bottom line greater customer satisfaction reduced turnover higher productivity improved profitability better safety results and higher stock prices In contrast the Gallup Organization has discovered that disengaged workers cost U S business between 250 billion and

350 billion each year How do you engage employees and in turn create the high performance organization With a different emphasis in each volume that s what this set is all about Volume 1 The New Employer Employee Relationship Volume 2 The Engaged Workplace Organizational Strategies Volume 3 Case Studies and Conversations From the latest theories on motivation to innovations in HR to methods to increased employee retention it provides the essential insights and tools managers leaders and HR people need to find new ways to succeed while keeping employees happy productive and loyal Employees know that cradle to grave or even week to week employment security is a thing of the past and that they are at the helm of their own career ship Discerning consumers in the employment marketplace they therefore seek employment opportunities that speak not only to their wallets and life circumstances but also to their desire to find work that provides purpose and passion How can employers meet these needs and create a team of engaged employees That s a large question and one that spans a spectrum of issues that includes career development human resource management and the alignment between individual and organizational goals In these three volumes leaders and managers will find answers They feature articles interviews and reports from academics psychologists managers in the practical corporate world and experts in career management Despite what Donald Trump might say work is personal and the ways in which individuals navigate the organizational environment and businesses organize to seek attract and retain the best employees is of primary concern That goes double in these turbulent times when job security is at stake cynicism rampant and loyalty at risk This set Covers both theories and practices driving the development of the modern employment relationship from both employee and organizational perspectives Touches on the timely issues of career management balance of personal and professional goals and for organizations finding and retaining the best employees and creating workplace cultures that inspire them to do their best work Provides principles and practices that can be used by companies of all sizes in all sectors and in all parts of the world Features an all star cast of contributors from corporate leadership academia practice and consulting special elements include interviews with business leaders and many best practice examples Building High Performance People and Organizations connects the dots so employers can maintain a loyal satisfied and productive workforce Volume 1 The New Employer Employee Relationship This volume looks at trends in demographics and the general business environment leading to and driving the concept of employee engagement It addresses such issues as changing workforce demographics essential considerations in using employeesurveys building a high performance culture measuring and managing human capital engagement and change management managing virtual work teams and the impact of globalization and technology on the employer employee relationship Volume 2 The Engaged Workplace Organizational Strategies This volume focuses on real world organizational strategies to find develop and retain the best employees with an emphasis on innovative practices in both the U S and internationally Topics covered include hiring and staffing strategies the essential elements of work life balance

Results-Driven Organizations Taunya Lowe,2019-01-31 If you re reading this book it means that you are

serious about creating a culture of excellence a culture of high performers and a culture of consistency intentional change and growth for your organization It s only when all four keys exist in tandem strategy leadership teams experiences that workplaces will yield high performance I m often asked the question Is everyone capable of operating at a high level My answer is YES If you maximize the strengths you have and allocate your resources accordingly you can perform at a high level based on where you are Everyone in your organization should be functioning at the maximum level of their capacity while you are steadily growing to your next level When you have an organization of people who are capable but are only operating on 30 40% of their ability it most definitely affects the workforce the teams the productivity the goals the outcomes the service and the profits
