Creative Connection:

The Creative Connection for Groups Natalie Rogers, 2026-02-06 In *The Creative Connection for Groups* Dr Natalie Rogers brings us a practical theoretical and spiritual joining of the expressive arts and the person centered approach for groups. Specific guidelines and explorations merge the values purposes and methods of both fields. Facilitators learn how to apply this work in a wide variety of situations. The powerful images illustrate case material and the extraordinary effects of this profound group process. Ultimately this book is about courage creative expression compassion cooperation and raising the collective consciousness to heal the planet. No small order. Yet the dynamic humanistic process of person centered expressive arts fosters in individuals and groups the ability to achieve this goal as they become authentic self actualized and empowered. The forceful element of creative expression brings individuals personally and collectively into their strength honing the ability to envision a brighter future and act across political or antagonistic boundaries to a more peaceful all inclusive way of being. The 2026 version includes a new Foreword and other updates. [Creative Connections for Catechists from A to Z](#) Janet Schaeffler, 2009 Catechists have a lot on their plates. Teaching about the Catholic faith is not simple or easy and who knows this better than they. The best catechists have learned that ultimately all of their teaching centers around Jesus his teachings the sacraments the Eucharistic liturgy and all of our Catholic customs and traditions. These include Catholic Social Teaching. Jesus is at the heart here too for all social teaching focuses on loving and serving others as Jesus does. Here Sr Janet Schaeffler offers catechists creative and fun ways to focus on Catholic Social Teachings with those they teach and their parents. By doing so they are living their baptism as disciples of Jesus. And she describes all this from A to Z quite literally.

Seeking Wisdom Julia Cameron, 2022-01-11 Julia Cameron returns to the spiritual roots of the Artist s Way in this 6 week Program. Author Julia Cameron changed the way the world thinks about creativity when she first published *The Artist s Way A Spiritual Path to Higher Creativity* thirty years ago. Over five million copies later Cameron now turns her attention to creative prayer which she believes is a key facet of the creative life. In *Seeking Wisdom* a 6 Week Artist s Way Program readers too will learn to pray. Tracing her own creative journey Cameron reveals that prayer led her forward at a time of personal crisis. Unexpectedly prayer became an indispensable support to her artistic life. The tools she created to save herself in her darkest hour became the tools she would share with the world through *The Artist s*

Way Seeking Wisdom details the origin of these tools and by Cameron's example the central role that prayer plays in sustaining a life as an artist. In this volume, Cameron shares a mindful collection of prayer practices that open our creative souls. This path takes us beyond traditional religious rituals, welcoming readers regardless of their beliefs and backgrounds. As you journey through each week of the program, you'll explore prayers of petition, gratitude, creativity, and more. Along the way, the three beloved tools of *The Artist's Way*—Morning Pages, Artist Dates, and Walks—are refreshed and reintroduced to provide a proven, grounded framework for growth and development. Additionally, Cameron introduces a fourth tool: Writing Out Guidance. She believes this powerful practice will greatly aid aspiring artists. Seeking Wisdom issues an invitation to step further into exciting creative practice.
