## **Boom Talkin About Our Generation:**

History by Generations Hartmut Berghoff, Bernd Weisbrod, Uffa Jensen, Christina Lubinski, 2013-08-05 Die Beiträge des vorliegenden Bandes gehen aus einer gemeinsamen Tagung des Graduiertenkollegs Generationengeschichte der Georg-August-Universität Göttingen und des Deutschen Historischen Instituts in Washington hervor. Verschiedene Generationenkonzepte standen sich hier gegenüber: die europäische Idee von Jugendgenerationen und politischen Generationen und die eher pragmatische amerikanische Lesart von den demographischen Generationen oder den Konsumgenerationen. Immer so scheint es: wird die generationelle Logik abgelagert von nationalen Vorstellungen der Dazugehörigkeit. Sehr deutlich arbeiten die Beiträge aus Europa und den USA heraus, dass die historische Zeit wohl in Generationen gelesen wird, doch wird Geschichte nicht von Generationen gemacht.

**American Legacy** C. David Heymann, 2007-07-10 From the moment of their births John and Caroline Kennedy occupied a central position in what is generally regarded as the most famous family in the United States, if not the world. Even as young children growing up in the White House their most subtle gestures and actions made headlines. Yet until now they have not been the subject of a dual biography. In that sense this volume represents a first. In American Legacy 1 New York Times bestselling author C. David Heymann draws upon a voluminous archive of personal interviews to present a telling portrait of John and Caroline Kennedy. A longtime biographer of various members of the Kennedy clan including Jackie and Robert Kennedy, Heymann covers John's and Caroline's childhood in the White House, the dark aftermath of their father's assassination, their uneasy adolescence and the many challenges they faced as adults, all under the glaring eye of the media. He reveals John's and Caroline's loving but at times trying relationship with their larger than life mother, as well as Jackie's own emotional struggles, romantic relationships and financial concerns following JFK's death. Other revelations brought to light for the first time in American Legacy include the assassination attempt made on Jackie just before she gave birth to John JFK Jr.'s romantic escapades prior to marrying Carolyn Bessette and accounts of the predominantly happy marriage they shared despite criticisms from questionable sources, the shocking report of the autopsy performed on John following the tragic plane crash that killed him, Carolyn and her sister Lauren, Caroline's rise to become one of the wealthiest women in
