Border Wolves Walt Coburn, 2003 This exciting volume collects three of Coburn's finest short novels including *Rusty Rides Alone*, *The Block K Rides Tonight* and *Border Wolves* which draws on Coburn's own experiences as part of Pancho Villa's so-called Gringo Battalion. *The Border Wolves* Damion Hunter, 2021-04-19 The final thrilling tale of the House of Appius Julianus. A new and deadly threat has emerged at the outskirts of the Roman Empire on the Danube one that threatens to throw the entire region into chaos. Corneus risen to prefect of a cavalry ala on the border and Flavius advisor to the emperor have both attempted to warn the erratic Domitian of the seriousness of this foe but to no avail. With trouble at home in the form of an irate senator as well as the impending doom of a devastating military loss the two brothers must use their accumulated experience, grit and trust in each other to ensure their family's safety once and for all. The final book in the epic Centurions series and the first instalment for almost forty years a moving and powerful adventure and a must read for all historical fiction fans ideal for readers of Conn Iggulden, Rosemary Sutcliff and Simon Scarrow. Praise for Amanda Cockrell: A thrilling Roman adventure. Alex Gough author of *Emperor's Sword*. Amanda Cockrell has the finest sense of history, character and narrative I've seen since Rosemary Sutcliff. Delia Sherman author of *The Porcelain Dove*. The novel is action packed and descriptive at the same time which lends to the successful scenes that the reader can enjoy. Historical Novel Society.

**Political Theory and the Animal/Human Relationship** Judith Grant, Vincent G. Jungkuz, 2016-03-31 Examines how the animal human divide has influenced power dynamics The division of life into animal and human is one of the fundamental schisms found within political societies Ironically given the immense influence of the animal human divide especially upon power dynamics the discipline in charge of theorizing and studying power political science and theory has had little to say about the animal human This book seeks to amend this vast oversight Acknowledging the complexity of the changing differences between animals and humans the contributors explore such topics as Marx Freud the animal and civilization dog breeding racism and democracy the meaningful silences of animals how sovereignty reconfigures the animal human and the paradoxical struggles against being dehumanized among immigrant workers in a slaughterhouse Political Theory and the Animal Human Relationship is necessary reading for anyone who wants to understand how power has been influenced by the animal human divide and what we can do about it

*Interspecies Politics* Rafi Youatt, 2020-02-25 This book explores the ways that international politics is a form of interspecies politics one that involves the interactions ideas and practices of multiple species both human and nonhuman to generate differences and create commonalities While we frequently think of having an international politics of the environment a deep and thoroughgoing anthropocentrism guides our idea of what political life can be which prevents us from

thinking about a politics with the environment This anthropocentric assumption about politics drives both ecological degradation and deep forms of interhuman injustice and hierarchy Interspecies Politics challenges that assumption arguing that a truly ecological account of interstate life requires us to think about politics as an activity that crosses species lines It therefore explores a postanthropocentric account of international politics focusing on a series of cases and interspecies practices in the American borderlands ranging from the US Mexico border in southern Texas to Guant namo Bay in Cuba to Isle Royale near the US Canadian border The book draws on international relations environmental political theory anthropology and animal studies to show how key international dimensions of states sovereignty territory security rights are better understood as forms of interspecies assemblage that both generate new forms of multispecies inclusion and structure forms of violence and hierarchy against human and nonhuman alike Beta's Alpha Daughter K L Roulo,2022-08-16 I Xayla Lewis have a way with attractive humans Let s just say my bed is only empty when I want it to be Nikita my wolf is not impressed She wants to find our fated mate Firsthand experience told me that human or wolf losing a mate ruins your life and makes you depressed I love my mother but I never want to break like that Hence my reaction the day I met and ran from my fated mate To say I Evander Mason was surprised that my mate ran from me is an understatement In a single action she revealed her strength and appeal Running away from your alpha mate is remarkable and damn sexy Hezekiah my wolf agrees even though he is upset that we didn t chase her down To be honest I wasn t worried about finding her until I lay in a hospital bed unable to look for her Now I fear she could be gone forever **Everybody's Magazine** ,1928 *Film Year Book* ,1938 Everybody's ,1928 **Boot and Shoe Recorder** ,1907 The Edinburgh Review ,1898 Canadian Magazine of Politics, Science, Art and Literature ,1922 The Canadian Magazine ,1922 **Canadian Magazine of Politics, Science, Art & Literature** ,1922 Kine weekly ,1919
