Screen borders Michael Gott,2023-05-23 Film and television offer important insights into social outlooks on borders in France and Europe more generally This book undertakes a visual cultural history of contemporary borders through a film and television tour It traces on screen borders from the Gare du Nord train station in Paris to Calais London Lampedusa and Lapland It contends that different types of mobilities and immobilities refugees urban commuters workers in a post industrial landscape and vantage points from borderland forests ports train stations airports refugee centers are all part of a complex French and European border narrative It covers a wide range of examples from popular films and TV series to auteur fiction and documentaries by well known directors from across Europe and beyond

Border Kapka Kassabova,2017-09-05 Kapka Kassabova returns to Bulgaria from where she emigrated as a girl twenty five years previously to explore the border it shares with Turkey and Greece When she was a child the border zone was rumored to be an easier crossing point into the West than the Berlin Wall and it swarmed with soldiers and spies

Mapping Versatile Boundaries Regis Darques,2016-09-10 This book demonstrates the pivotal role played by state confines in the geography of Balkan countries through powerful GIS and remote sensing analyses It provides unique mapping

perspectives on the Balkan region with over 140 illustrations The book is dedicated to applied historical and economic geographers as well as political scientists Because of its high fragmentation the Balkan area has not been studied on a systematic transnational basis The persistence of frozen and or open conflicts has also turned the border issue into an absolute taboo subject for the scientific community and civil society This results in an apparent chaos that most Western observers fail to understand
