Borderline Spectrum Differential Diagnosis And Developmental Issues:

The Borderline Spectrum William W. Meissner,1984 *The Ethical Dimension of Psychoanalysis* W. W. Meissner,2012-02-01 Addressing the common ground between ethics and psychoanalysis W W Meissner asks Does psychoanalysis have anything to contribute to ethical understanding and reflection and conversely Does ethics have anything to offer analytic understanding of the complexities of human behavior and decision making Both disciplines focus their interest and concern not only on the inner well being of the individual but also on questions of his or her adaptation to the outside world including both intimate personal relations as well as broader societal and communal relations This book explores and explicates areas of interaction and common interest between these two disciplines in the hope of opening the way to further exploration and dialogue in the understanding of the human phenomenon **The Dynamics of Human Aggression** Ana-Maria Rizzuto,W.W. Meissner,Dan H. Buie,2004-03 Aggression is often thought of as involving hostility anger or destructiveness The authors of book challenge this view and justify their new theory to readers on both the theoretical and clinical fronts **Faith, Theology and Psychoanalysis** Trevor M Dobbs,2010-03-25 This book traces the various influences on the development of Harry S Guntrip s thought including his personal history of family relationships memberships in various religious organizations and the weight of his academic professional mentors both theological and psychoanalytic Ronald Fairbairn and Donald Winnicott Guntrip both a minister and lay therapist is shown as a fascinating example of the adversarial tension between psychology and theology commonly known as the battle between science and religion **American Psychiatric Association Practice Guidelines for the Treatment of Psychiatric Disorders** American Psychiatric Association,2004 Practice Guidelines provide a comprehensive synthesis of available information relevant to the clinical topic This volume collects in one place eleven of the APA s published Practice Guidelines Includes helpful introductory material and a cumulative index **Differential Diagnosis of Borderline and Narcissistic Personality Disorders** Michael A. Farris,1983 *American Journal of Psychotherapy* ,1947 **Bulletin of the Menninger Clinic** Menninger Clinic,1987 **Treatment of the Borderline Personality** Patricia M. Chatham,1985 *The British Journal of Psychiatry* ,1989-07 **The Fragile Alliance** John E. Meeks,William Bernet,1990 Covering adolescent therapy this book examines the idea of therapeutic alliance Firstly an understanding of the adolescent must be formed then parts two and three of the text discuss specific diagnoses special technical problems and applications of therapy to the hospitalised patient *History of Boston College* Charles Francis Donovan,Paul A. FitzGerald,1990 **The Course of Life: Early adulthood** Stanley I. Greenspan,George H. Pollock,1989 *Canadian Journal of Psychiatry* ,2001 **Psychoanalytic Anthropology After Freud** David H. Spain,1992 *Object Relations and the Family Process* Randall Klein,1990-01-09 Joining two usually distinct areas of psychoanalytic treatment this volume explores the psychoanalytic theory of object relations and its application to the study of marital and family interaction Freud s object relations model

lends itself well to the study of internalized object relations and external personal relations Integrating various psychoanalytic approaches as well as contributions of Piagetian scholars this essay also incorporates general systems theory The study covers the breakdown of marital relationships narcissism of partners separation and individuation of adolescent offspring role typing family communication defense mechanisms entrapping and emotional processes It concludes with a synthesis of marital and family object relations models Object Relations and the Family Process introduces the reader to the object relations model It describes the process of acquiring object concepts of both permanence and libidinal strivings The concept of libidinal object is then defined An overview of the psychoanalytic theory of object relations is given and the intrapersonal and interpersonal spheres of object relations are described The remainder of the book is devoted to the author's presentation of his hypothetical model Both psychoanalysts and therapists will find this model a useful one
