Borders My Bent Toward:

Border Witness Michael Dear, 2023-02-21 *Border Witness* offers a surprising catalogue of films dealing with the US Mexico border and released during the past 100 years. It compares these screen visions with what was happening on the ground at the time in both countries. From revolution through to the present global crisis, the films are left to speak for themselves, but their stories are measured alongside the author's experience following decades of research, writing, and activism along the line. Taken together, this book outlines a unique Border Film genre just now entering its Golden Age. This book also comes with a message to both nations that they should learn more from borderlanders about how to conduct cross-border lives.

Border romances William Gilmore Simms, 1885 **Bending Toward the Sun** Leslie Gilbert-Lurie, 2010-09-07 A memoir that takes us through many worlds through heartache and noble hopes through the mysteries of family love. Read *Bending Toward the Sun* and enrich your life. Rabbi David Wolpe, author of *Why Faith Matters*. A miraculous lesson in courage and recovery. *Bending Toward the Sun* tells the story of a unique family bond forged in the wake of brutal terror. Rita Lurie was five years old when she was forced to flee her home in Poland to hide from the Nazis in a cramped dark attic with fourteen members of her family. Young Rita watched her younger brother and her mother die before her eyes. But the tragedy of the Holocaust was only the beginning of Rita's story. Decades later, Rita's daughter, Leslie, began probing the traumatic events of her mother's childhood to discover how Rita's pain has affected not only Leslie's life and outlook but that of her own daughter, Mikaela, as well. The result is *Bending Toward the Sun*, a collaboration between mother and daughter that brings together the stories of three generations of a family to understand the legacy that unites, inspires, and haunts them all. Leslie Gilbert-Lurie has served as president of the Los Angeles County Board of Education. Formerly an executive at NBC where she worked on such hit shows as *Cheers*, *Family Ties*, *Saved by the Bell*, and *The Fresh Prince of Bel Air*. Gilbert-Lurie lives in Los Angeles with her husband and two children.

Border Dance Jimi Calhoun, 2023-10-11 Every culture on earth has at one time or another danced. From tribal times forward, people have danced to socialize, express themselves creatively, and promote societal unity. The borders that separate us came much later in human development. It is time to return to our roots and dance, dance, dance. That is because dance has the unique ability to unite a person's mind, body, and soul. In his capacity as a touring bassist, Jimi Calhoun witnessed thousands upon thousands of people lose themselves in dance. Suddenly, ethnic, racial, and religious differences disappear. Borders, on the other hand, divide religious communities, races, and nations. Human conflict is perpetuated by these boundaries. What is written within these pages will show you ways to dance across divisions by means of a choreography of altruism. This is a book that invites you to dance to the rhythms of grace that result in true harmony and unity.
