Borges The Poet:

Selected Poems Jorge Luis Borges, 1999 Though universally acclaimed for his dazzling fictions Jorge Luis Borges always considered himself first and foremost a poet This new bilingual selection brings together some two hundred poems the largest collection of Borges poetry ever assembled in English including scores of poems never previously translated Edited by Alexander Coleman the selection draws from a lifetime s work from Borges first published volume of verse Fervor de Buenos Aires 1923 to his final work Los conjurados published just a year before his death in 1986 Throughout this unique collection the brilliance of the Spanish originals is matched by luminous English versions by a remarkable cast of translators including Robert Fitzgerald Stephen Kessler W S Merwin Alastair Reid Mark Strand Charles Tomlinson and John Updike **Selected Non-Fictions** Jorge Luis Borges, 2000-11-01 Winner of the National Book Critics Circle Award in Criticism The first comprehensive selection in any language of the non fiction much of it appearing here in English for the first time of one of literature s most fertile and original minds San Francisco Chronicle A Penguin Classics Deluxe Edition with flaps and deckle edged paper It will come as a surprise to many readers that the greater part of Jorge Luis Borges s extraordinary writing was not in the genres of fiction or poetry but in various forms of non fiction prose His thousands of pages of essays reviews prologues lectures and notes on politics and culture though revered in Latin America and Europe as among his finest work have scarcely been translated into English Selected Non Fictions presents a Borges almost entirely unknown to American readers Here is the dazzling metaphysician speculating on the nature of time and reality and the inventions of heaven and hell and the almost superhumanly erudite reader of the world s literatures from Homer to Ray Bradbury James Joyce to Lady Murasaki Here too the political Borges taking courageous stands against fascism antisemitism and the Per n dictatorship Borges the movie critic on King Kong and Citizen Kane and the Borgesian art of dubbing and Borges the regular columnist for the Argentine equivalent of the Ladies Home Journal writing hilarious book reviews and capsule biographies of modern writers Like the Aleph in his famous story the magical point in a basement in Buenos Aires from which one can view everything in the world Borges s non fictions are a vortex for seemingly the entire universe Dante and Ellery Queen Shakespeare and the Kabbalah the history of angels and the history of tango the Buddha Bette Davis and the Dionne Quints Selected Non Fictions presents more than 160 of these astonishing writings from his youthful manifestos to his last meditations on his favorite books More than a hundred of these pieces have never before appeared in English and all have been rendered in brilliant new translations by Esther Allen Suzanne Jill Levine and Eliot Weinberger This unique selection presents Borges as at once a deceptively self effacing guide to the universe and the inventor of a universe that is an indispensable guide to Borges For more than seventy five years Penguin has been the leading publisher of classic literature in the English speaking world With more than 2 000 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by

The Poetry and Poetics of Jorge Luis Borges Paul Cheselka,1987 This study traces Borges career as a poet from his earliest poetic endeavors before the 1923 publication of *Fervor de Buenos Aires* through the middle of the 1960 s Paul Cheselka considers Borges better known poetry collections such as *Fervor de Buenos Aires* *Luna de enfrente* and *Cuaderno San Martín* and he shows the often neglected 1930 1960 period to be an important phase in the evolution of Borges poetry The poems are studied chronologically with particular emphasis on the relation of their themes to the poet s life and ideas Cheselka s contribution is that of providing a clearer delineation of borgesian poetics the poems themselves are shown to be the evidence and very substance of the poets s definitions

Jorge Luis Borges: The Last Interview Jorge Luis Borges,2013-06-25 Believe me the benefits of blindness have been greatly exaggerated If I could see I would never leave the house I d stay indoors reading the many books that surround me Jorge Luis Borges Days before his death Borges gave an intimate interview to his friend the Argentine journalist Gloria Lopez Lecube That interview is translated for the first time here giving English language readers a new insight into his life loves and thoughts about his work and country at the end of his life Accompanying that interview are a selection of the fascinating interviews he gave throughout his career Highlights include his celebrated conversations with Richard Burgin during Borges s time as a lecturer at Harvard University in which he gives rich new insights into his own works and the literature of others as well as discussing his now oft overlooked political views The pieces combine to give a new and revealing window on one of the most celebrated cultural figures of the past century

Jorge Luis Borges Beatriz Sarlo,2020-05-05 Jorge Luis Borges is generally acknowledged to be one of the twentieth century s most significant writers Yet in all the critical debates on his work the fact that he is Argentinian is rarely discussed as if his international reputation had somehow cleansed him of nationality In this brilliant introduction to his work Sarlo challenges these universalist readings arguing that they leave aside vital aspects of Borges writing including his powerful vision of Argentina s past and its traditions which placed both the writer and his country at the intersection of European and Latin American culture

Seven Conversations with Jorge Luis Borges Jorge Luis Borges,Fernando Sorrentino,Clark M. Zlotchew,1982 *Poems of the Night* Jorge Luis Borges,2010-03-30 A dual language volume of poems on darkness and light many appearing in English for the first time by one of the greatest writers of the twentieth century Revered for his magnificent works of fiction Jorge Luis

Borges thought of himself primarily as a poet *Poems of the Night* is a moving collection of the great literary visionary's poetic meditations on nighttime darkness and the crepuscular world of visions and dreams themes that speak implicitly to the blindness that overtook Borges late in life and yet the poems here are drawn from the full span of Borges's career Featuring such poems as *History of the Night* and *In Praise of Darkness* and more than fifty others in luminous translations by an array of distinguished translators among them W S Merwin Christopher Maurer Alan Trueblood and Alastair Reid this volume brings to light many poems that have never appeared in English presenting them en face with their Spanish originals *The Sonnets* Jorge Luis Borges, 2010-03-30 The complete sonnets of one of the greatest writers of the twentieth century in English and Spanish This landmark collection brings together for the first time in any language all of the sonnets of one of the greatest writers of the twentieth century More intimate and personally revealing than his fiction and more classical in form than the inventive metafiction that are his hallmark the sonnets reflect Borges in full maturity paying homage to many of his literary and philosophical paragons Cervantes Milton Whitman Emerson Joyce Spinoza while at the same time engaging the mysteries immanent in the quotidian A distinguished team of translators Edith Grossman Willis Barnstone John Updike Mark Strand Robert Fitzgerald Alastair Reid Charles Tomlinson and Stephen Kessler lend their gifts to these sonnets many of which appear here in English for the first time and all of which accompany their Spanish originals on facing pages [Borges at Eighty](#) Jorge Luis Borges, 2013-11-30 A collection of interviews now available from New Directions for the first time The words of a genius Borges at Eighty transcends our expectations of ordinary conversation In these interviews with Barnstone Dick Cavett and Alastair Reid Borges touches on favorite writers Whitman Poe Emerson and familiar themes labyrinths mystic experiences and death and always with great throw away humor For example discussing nightmares he concludes When I wake up I wake to something worse It's the astonishment of being myself **Borges** Jorge Luis Borges, Irma Zangara, 1999 [Jorge Luis Borges](#) Tim McNeese, 2013 He read and wrote with the greatest of passions And Jorge Luis Borges the greatest of Argentine writers created through a 60 year long career one of the significant and enduring literary legacies of any writer of the 20th century The reach of his poetry his stories and his essays was global **Jorge Luis Borges, Life, Work, and Criticism** Donald A.
