Boss Cupid:

Boss Cupid Thom Gunn, 2007-04-01 A great poet's freshest most provocative book He dreams at the center of a closed system Like the prison system or a system of love Where folktale recipe and household custom Refer back to the maze that they are of from A System PCP or Angel Dust Taste and appetite are contraposed in **Boss Cupid** the twelfth book of poems by the quintessential San Francisco poet who is also the quintessential craftsman and quintessentially a love poet though not of quintessential love Variations on how we are ruled by our desires these poems make a startling and eloquent gloss on wanton want moving freely from the story of King David and Bathsheba to Arthur Rimbaud's diet to the tastes of Jeffrey Dahmer As warm and intelligent as it is ribald and cunning this collection of Thom Gunn's is his richest yet **Boss Cupid** Thom Gunn, 2011

Luce, 2000-03 *The Poetry of Thom Gunn* Stefania Michelucci, 2008-12-24 Thom Gunn served as a mouthpiece for his time illustrating the social cultural and historical transformations that have characterized western civilization from World War II until today Starting with theoretical premises drawn from philosophy anthropology and sociology this work examines Thom Gunn's entire poetic career In Gunn's early poetry the author argues the predominant theme is the desire for freedom from the painful prison of the intellect and from the masks that the individual feels compelled to wear even in his sexual relationships In Gunn's later poetry the author notes a gradual opening to human relationships and to Nature which is also Gunn's vindication and reevaluation of his own nature and the liberation of his long repressed and hidden homosexuality A Couple of Million Walter Ben Hare, 1917
