## **Boudiccas Revenge:**

**Boudicca's Revenge** Roxanne Gregory, 1999-01-01 [Sutton Companion to the Folklore, Myths and Customs of Britain](#)  
Alexander Barrie, 2005-11-24 Britain's rich and varied folklore legends and beliefs provide an insight into the island's history. Every invader, refugee or settler has helped contribute some new element or twist to the complex pattern of our national heritage. This volume provides a comprehensive companion to legends and customs in England, Scotland, Wales and Ireland.

*Hero of Rome (Gaius Valerius Verrens 1)* Douglas Jackson, 2010-07-08 Perfect for fans of Simon Scarrow and Ben Kane, this heart-stopping historical thriller from bestselling author Douglas Jackson will have you on the edge of your seat. Rightly hailed as one of the best historical novelists writing today, DAILY EXPRESS Readers are loving Gaius Valerius Verrens. This was probably the best book that I have read of this genre. 5 STARS. As good as Scarrow's *Riches* or Scott's 5 STARS. Valerius is quite addictive. 5 STARS. AD 59 Rome's grip on Britain is weakening. Roman cruelty and exploitation has angered their British subjects. The Druids are on the rise. The warrior queen Boudicca will lead the tribes to war. The Roman Tribune Gaius Valerius Verrens must lead the veteran legions at Colonia in a last stand against the rising tide of rebellion and the unstoppable horde of Boudicca's rebel army. Can he defend his honour and the Empire he represents? *Hero of Rome* is the first in Douglas Jackson's Gaius Valerius Verrens series. His story continues in *Defender of Rome*.

*The Centurion* Ken Gire, 2016-01-21 An ambitious Roman soldier. A stunning crucifixion. An unlikely romance. A long war and a chance reunion. The moving parts that make *The Centurion* a gripping story of love, duty and sacrifice. Lucius has always dreamed of military conquest and Roman glory. Little does he know how a routine crucifixion will change him forever. Curious about this King of the Jews, Lucius seeks out His followers and falls for one named Mary Magdalene. But all is interrupted when Lucius is called to lead military campaigns. There the hardships of war, year after year, wear him down to nearly nothing. When Lucius finally returns to Rome, the city has lost its allure. A chance encounter tests his allegiances and he must decide who he is, what is real and what is worth dying for. This work of historical fiction includes an extensive annotated list of sources.

*Defender of Rome* Douglas Jackson, 2011-08-18 This riveting and action-packed historical thriller from bestselling author Douglas Jackson is real edge-of-your-seat stuff. Perfect for fans of Simon Scarrow and Ben Kane. Readers are loving Gaius Valerius Verrens. Absolutely incredible. 5 STARS. Gripping, violent and captivating. 5 STARS. The best Roman historical series I've yet read. Just pips Ben Kane and Conn Iggulden. 5 STARS. Gaius Valerius Verrens returns to Rome from the successful campaign against Boudicca in Britain. But he is not the man he once was, scarred both physically and emotionally by the battles he has fought. And neither is Rome the same city as the one he left. The Emperor Nero grows increasingly paranoid. There is talk of a new threat, one found within the walls of Rome itself. A new religious sect, the followers of Christus deny Nero's divinity and are rumoured to be spreading sedition. Nero calls on Valerius to seek out this rebel sect and to capture their leader. Failure would be to forfeit his life and the lives of twenty thousand Judaeans living in Rome. But as Valerius begins his search, a quest which will take him to

the edge of the empire he will discover that success may cost him nearly as much as failure Gaius Valerius Verrens s adventures continue in *Avenger of Rome* The Earlier Inhabitants of London Frederick Gymer Parsons,1927 *Genius and Heroin* Michael Largo,2010-10-12 What is the price of brilliance Why are so many creative geniuses also ruinously self destructive From Caravaggio to Jackson Pollack from Arthur Rimbaud to Jack Kerouac from Charlie Parker to Janis Joplin to Kurt Cobain and on and on authors and artists throughout history have binged pill popped injected or poisoned themselves for their art Fully illustrated and addictively readable *Genius and Heroin* is the indispensable reference to the untidy lives of our greatest artists and thinkers entertainingly chronicling how the notoriously creative lived and died whether their ultimate downfalls were the result of opiates alcohol pot absinthe or the slow motion suicide of obsession East London Robert Sinclair,1950 *Kings and Queens* Philippa Wingate,1996 This book explores the coronations funerals palaces pastimes of the world s most famous monarchs Ri ch artwork reflects the wealth luxury enjoyed by history s rulers while story sequences bring their actions adventu res to life British Folklore Marc Alexander,1982 **A Companion to the Folklore, Myths & Customs of Britain** Marc Alexander,2002 With over a thousand entries this illustrated encyclopedia is the most comprehensive guide to the legends and beliefs of the British Isles *History of Britain, A - Volume I* Simon Schama,2000-10-25 In this magnificent work one of the most celebrated historians of our day brings the early history of Britain dramatically to life with a wealth of stories and vivid colorful detail reanimating familiar figures and events and drawing them skillfully into a powerful and compelling narrative This first in Schama s two part epic history is timed to coincide with the History Channel s broadcast of the first seven episodes of *The History of Britain* in October 2000

Encyclopedia of World Biography ,1998 Originally published in 1973 by McGraw Hill this 17 vol authoritative set is entirely revised and updated the first complete revision in 25 years Here s what you ll find in this admired biographical reference source 17 volumes with almost 7 000 entries Approximately 400 new entries with more multicultural coverage Thousands of high resolution photographs designed to produce clearer photocopies Updated entries and bibliographies includes new developments since the last edition as well as newly discovered facts and interpretations of historical figures Easy to use page format Multi access consolidated index makes it easier to search than ever before And much more **The Archaeology of Middlesex and London** Colwyn Edward Vulliamy,1930 *Under the Sludge* Lesley Adkins,Roy A. Adkins,1986 Queen Boudicca's Battle of Britain Richard Hunt,2003 If you want to know what really happened during the Roman invasion of Britain in AD 43 and Queen Boudicca s rebellion of AD 60 the author has collected together the actual words of the Roman historians who are the real source of all that is known about these events The result reads rather like a collection of journals or diaries that might have been kept by eye witness observers nearly two thousand years ago but is anything but dry and dusty as the authors were some of the best writers of their day *History of England, by F.Y. Powell and (T.F. Tout).* Frederick York Powell,1886 **Canadian Books in Print** ,2003 **The National Geographic Traveler**

,1999 From Tiller to Tide ,2004 A survey of maritime collections in museums and historical societies in Essex including the Essex Record Office
