Buddie Fox:

Buddie Fox Bev Magee,2006-06-13 Six years was a long time to be something you weren't For Shawna Kane it was a double deception A feat like that would make anyone want to quit But quitting would also reveal what she was trying to hide Luckily when she needed a break she had a cousin willing to play her Her male counterpart anyway A visit from Jeremiah stirred up old memories of when she was Buddie Fox Hidden in a dark corner of the attic in her ranch house was a wooden crate Contained inside were the six years of her life that she had almost forgotten about The crate now sitting in the parlor its top pried off Shawna began to relive those years From swindling bankers to crooked lawmen there wasn't much the Fox Hole Gang didn't know about Their boss who rarely left Washington kept them well informed He never questioned what he didn't want to know and that was just fine with the gang That gave Buddie the chance to be Shawna when she had to be as they did their boss bidding Sometimes she worked alone to keep the secrets the gang held Very few people knew her secrets and she wanted to keep it that way But when the gang was blamed for crimes committed by another she risked her identity to set the records straight

Buddie Fox Bev Magee,2008-07-11 Desperate for her help Horace Jackson has Shawna Kanes children kidnapped Unfortunately for him he didn't know the kind of fury he unleashed in her In her anger Shawna reveals one secret she had kept for ten years A daughter with the blood of Tomahawk running through her veins But that was the least of Shawnas problems The train her daughters were on was transporting gold Tomahawk has nothing to lose As leader of a gang of outlaws he boldly robbed stagecoaches and trains Taking any gold or money transfers they were carrying His men didn't question why he gave equal shares of the loot To be honest they didn't care Tomahawk did care but not about the money or the men Learning of his illness he realized he cared about his children And there was only one person he wanted to raise them As instructed alone or in groups the children sired by Tomahawk began to make their way to the Shooters Ranch Furious at his boldness Shawna tracks down Tom to save her oldest two In her search for his hideout an unexpected arrival brings out another secret Her anger at Tomahawk dissolves when she finally catches him A final promise to make his family complete sends her on several adventures The growing family didn't deter Horace Jackson from forcing work on Shawna Only the endangerment of one of her household could make her don the badge again A slick con man was stealing lady gamblers for a high stakes poker game And it became Shawnas job to stop him But not without the help of her tribe

Angel Fox Bev Magee,2017-12-15 A desperate call of help from the Pinkertons uncovers a new bounty on the head of Buddie Fox Determined to find the culprit behind this new threat Shawna Kane returns home to get to the bottom of it Nitika Tilton wants to help but finds she has her own problems at home Her husband Hunter's accident has left him with amnesia Mistaken for Buddie Fox Nitika is willing to do what it takes to find the people behind the money Hunter wasn't happy when Nitika agreed to work a case for the Pinkertons He was looking forward to expanding their family His accident postponed the idea until a chance opportunity fell in their lap One that Nitika wasn't going to let get away from them Whatever the cost

Pink Angel Bev Magee,2014-04 A surprise visit from her mother was the last thing Nitika wanted She didn't trust the man her mother married Knowing his past she devises a plan to expose him But her mother had her own plans Hunter got a surprise of his own Thomas and Evan Huntington wanted to meet their new sister in law Little did they know they would get more than they bargained for Colton Dagon never forgot about Nitika Hearing about the upcoming birth only makes him more determined to have her for his own He devises his own plan to get her

The Motor Boat ,1906 *Buddie Fox* Bev Magee,2007-06-28 Blake Habers hated Indians especially the tribe his sister lived with He forced her to come home with him But Amanda had other plans that involved her lawyer Gentry Fox Though he couldn't help her with her problem he knew someone who could Shawna dreaded hearing from her cousin For it always meant trouble for her Leaving preparations for the cattle drive in her foreman's hands she and Joshua went to deal with Gentry for the last time Once their things became more complicated Namely because of who Amanda's husband turned out to be Desert Wolf was in search of his wife But after years of believing she was dead he was dreaming of his first love Little Eagle Suddenly all his deeply buried feelings for the sultry chief consumed him Was this a sign she was alive and searching for him Should he leave his wife for her Would Little Eagle become his regardless of everything Of all his questions this he wanted to know most of all Kali Ickier had something in common with Shawna but that didn't stop Desert Wolf from wanting her Still on the run the girl reluctantly joins the Kanes in their travels Knowing her husband's desires Amanda tries to sway the girl into marriage But another Indian has other plans for her

BUDDIE FOX Bev. Magee,2004-05-25 With her brothers gone Shawna Kane ne e Fox tried to forget who she once was With her husband by her side she strived to resurrect the legendary Shooter's Ranch willed to her by her grandfather Finding a crew willing to work for a woman wasn't going to be easy But Shawna was used to that Nothing in her life ever came easy A package containing files proved to her that her brothers' deaths were real While detectives hunt for the missing money an old flame hunts for her guns But a handsome stranger with a past of his own comes to her rescue With his help Shawna fights to stay alive as Joshua fights to keep her past buried Joshua Kane easily captured the heart of Shawna Fox But every man who meets her wants to take her from him His biggest threat the foreman of the ranch so he thought Though she had left him Tomahawk wasn't about to give Shawna up Though he wasn't an ideal doctor people of Phoenix were still surprised by him A quiet man by nature they never believed he could hurt anyone But the beating of a friend changed their opinion of him

Buddie Fox Bev Magee,2003-04 For 1 800 years the treasures of the Book of Revelation remained virtually untapped For the most part Biblical scholars considered it to be a closed book Finally along with the nineteenth century came the Revelation renaissance when people began to study the book with unparalleled intensity and speculate on the meaning of its mysteries I have in my personal library numerous commentaries on the Book of Revelation mostly excellent well researched works I often recommend them to my friends and associates and will continue to do so It is not my intention for this book to replace those fine commentaries However in talking to many of my friends and

acquaintances over the past several years I have found that precious few have ever read the Book of Revelation I am sure that most of them are scared away by the lavish use of symbolism and imagery I believe it is important for us to see that the Book of Revelation is the culmination of the entire Bible Furthermore it is the only book in the Bible that contains the promise of a special blessing to everyone who reads and understands it You would think that a promise like that would make it the most widely read book in the world There is unquestionably strong disagreement among Biblical scholars over the correct interpretation of certain parts of the Revelation Each person however must draw his own conclusions based on his own prayerful study The purpose of this book is to facilitate the study of the Revelation by providing an alphabetical listing of all the major symbols and terms or phrases used in its writing Along with each listing is a diligently researched explanation of meaning

Men unwillingly fell in love with Shawna Kane but only one man had her heart Kneeling at her brothers graves a young man joined her under the watchful eyes of another admirer Claiming to be family he wanted to know about the Gang Shawna agreed to tell him on the trip home Believing she wasn't recognized Shawna and Justin headed for Phoenix Two men wandered into El Paso days later The hostler knew them for who they were but told no one Identified by the ex saloon owner they make a hasty retreat Information from the old man pointed them in the direction of their sister and long lost brother Owning a ranch meant Shawna was in charge of a crew of men Tannen the foreman thought more of her than the other hands He left the best job he ever had to Joshua s relief to avoid doing something he d regret Attempts to keep his little brother from getting trap by her charms failed when Chris refused to join him Still intent on acquiring her guns Cliff Warrant used any means available Blackmail kidnapping and the help of her former boss only angered her His last attempt during a cattle drive got him killed Events during the cattle drive brought many surprises to all involved A young marshal on the trail of another gang learns of Shawna s identity and asks for her help Double crossed by his boss gets them both injured Taken in by her charms Rio Dylan tried to warn off a former lover But Jack didn't scare easy not even seeing Joshua worried him Knowing she was married didn't stop Jack from wanting to spend time with Shawna Not wanting to see her cousin Mandy unhappy Shawna made a proposal to Jack one he d heard before

Postmodern/drama Stephen Watt,1998 Scrutinizing the critical tendency to label texts or writers as postmodern scholar Stephen Watt argues that reading post modernly merely implies reading culture more broadly In contemporary drama Watt considers postmodernity less a question of genre or media than a mode of subjectivity shared by both playwright and audience 6 illustrations

Hollywood on Stage Kimball King,2013-07-04 Playwrights have been depicting Hollywood as a cultural desert and an industry of profit driven philistines ever since the early days of the movies This collection of original essays covers the period from the 1920s to the present but concentrates on such contemporary playwrights as David Mamet Sam Shepard David Rabe Arthur Kopit and Adrienne Kennedy A substantial proportion of the

volume is devoted to a discussion of the way in which these authors deconstruct Hollywood myths to reveal painful social and psychological issues in American life providing a deeper and darker picture than the simple satires of movie making in the 1920s and 1930s or Odets's comparison of the commercially debased Hollywood with the higher purer art of the theatre To complete and further complicate the picture the volume concludes with essays on the African American experience gay writers and feminist writing as seen through the lens of Marlane Myer's ETTA JENKS It is obvious that the legitimate stage remains a watchdog and constant critic of what is possibly the world's most powerful cultural phenomenon This book will be eagerly read by all students of film theatre and 20th century literature

Munsey's Magazine, 1928 **Buddie Fox** Bev Magee, 2009-08-20 Joshua was leery when an old classmate invited him home for a party His suspicions were confirmed when Allen Pinkerton paid him a visit Shawna was used to setting up traps and knew this was one if there ever was one The real question was who wanted Joshua bad enough to risk Shawna's wrath Camille Harper Carter was obsessed with Indians There was nothing she wouldn't do to get one in particular Joshua Kane She thought money was the answer But when he married into the rich Fox family she knew it was something else Knowing her kind she knew a scandal would get results Her downfall underestimating Shawna Fox Kane Ready for anything Shawna wasn't surprised when Camille showed up at her door with a child in tow A woman low enough to use her own child for blackmail didn't deserve to keep that child What Shawna wondered about was who was the boy's real father Coyote lived a life on the run from the day he left his father's tribe He never gave the white woman he rescued from a raid much thought when she returned to her people until Little Eagle came looking for him The woman had a child that she was passing off as another's And it was up to him to find the truth The numerous attempts on his life made Joshua wary when one of the Harpers caught up with him But Anson wasn't looking for him He was hiding his girl out in a small town A town where an old friend of Shawna's had tangled with some of the Harper clan Now they had to help the friend and the girl while saving the boy from his mother's antics Well that's what Joshua got when he married a Fox
