Building On Gods Foundation:

Upon This Rock Rosie Rivera,2014-09-26 Many new believers struggle due to a lack of knowledge The Bible states that we as baby Christians should desire the sincere milk of the Word that we might grow by it Many people get born again and go back into the old lifestyle because they have no root in the Word and their foundation is weak I would like to see every new believer become established and grounded in the Word so that they have a firm foundation that cannot be moved Tests and trials come to each of us and the type of foundation our life is built upon determines whether we stand or fall The more we understand the Word the stronger our foundation becomes God desires that we take His written Word and His revealed Word and apply them to our daily lives This book is intended to inspire new believers to go after God to get to know Him and to love the Word There is no greater joy than knowing Jesus who came to give His life for us so that we can have eternal life
