Building Spiritual Muscle / Fortalezca Mente Y Espiritu Antonio Almeida, 2004-04-05 Building Spiritual Muscles is written in five parts Part I talks about how my encounters with ordinary people during my world travels helped put my years of metaphysical understandings into perspective Part II is a sketch of my early life where the seeds of my metaphysical thought processes were sown Part III offers advice for developing physical strength and endurance based on my many years of body building and work as a personal trainer In part IV I share insights instructions meditations and exercises that I use for building spiritual strength Part V highlights essential metaphysical guidelines that can expand have expanded my capacity for inner peace no matter what Ive encountered on lifes journey This book is not a traditional how to book I believe that each individual must find his or her own path to happiness and peace of mind My belief is that sharing my personal experiences and revelations would motivate others on their journey to peace of mind This is a journey of the heart It begins by being open to others being non judgmental having compassion and self love It takes living and experiencing to discover your own individual way The only person who can teach you about yourself is you however every once in a while people show up in our lives as guides Guides help smooth out the path but its our own personal experiences that generate wisdom

The Eight Masks of Men Frederick Grosse, Richard L Dayringer, 2019-07-16 In today's rapidly changing society, the rules you learned as a child may no longer apply, causing you to experience restlessness and confusion. *The Eight Masks of Men: A Practical Guide in Spiritual Growth for Men of the Christian Faith* will encourage you to come out from behind your mask of solitude and loneliness, one of man's most obtrusive masks, and reach out for help and community. By answering questions commonly asked by men of various religious and personal backgrounds, this book will help you tune into your feelings, innermost thoughts, and that void you feel inside. As you become consciously aware of how the eight masks are a part of your being, you will recognize the true gift beneath each one. *The Eight Masks of Men* is the first book to combine historical, theological, and sociological perspectives with a practical approach for personal growth. To help you divest yourself of your inhibitions and experience inner harmony, it blends personal stories, humorous anecdotes, biblical research, and clinical information. The eight masks that men wear and what they hide, that author Rev. Dr. Frederick G. Grosse explores, include: mask of loneliness hides desire for community, mask of rage and anger hides pain and hurt, mask of compulsion hides desire for love, mask of performance hides desire for acceptance, mask of control hides desire for friendship, mask of producing hides desire to just be, mask of competition hides desire for humility, mask of institutional religion hides desire for spiritual growth. Don't let tragedy or desperation strike before you commit to building a healthier relationship with yourself, the people important to you, and God. Men who feel out of touch with their spiritual sides, retreat, and spiritual direction leaders, pastoral counselors, chaplains, marriage and family counselors, and members of the clergy will find in *The Eight Masks of Men* the inspiration and insight they need to guide themselves and one another to a season of union with God.

A Warrior's Witness Rick Willison, 2008-08 Men know the value of a good coach, someone to equip, mentor, and challenge them to action. *A Warrior's Witness: Living Godly Character in Post-Modern Times* does just that. By identifying key traits that build on each other—wisdom, integrity, willingness, faith, strength, perseverance, and heart—and showing how Biblical men of God embodied those traits, former professional athlete and world-renowned evangelist Rick L. Willison leads the reader on a spiritual journey built on equal parts of prayer and power. His down-to-earth language, practical guidance, and insightful questions put muscle behind men's spiritual beliefs and prepare them to live at a higher level as a Christian in today's challenging world. The author, Rick Willison, an ordained minister of the Gospel, was a professional athlete whose life was changed when he was struck down with a debilitating eye disease called Retinitis Pigmentosa. This eye disease will cause Willison to go completely blind. Undeterred, Willison travels all around the world, bringing the Good News of Jesus Christ to all who will listen. He does amazing feats of strength to help people see the power

they can have over sin through a personal relationship with Jesus Christ Rick wrote this book to encourage men to step up in their faith lead their families and make a difference in their world Christian men aren't wimps they are warriors This is a call to be true men of God to stand and live for what is right to take back what the devil has stolen and to be a Warrior's Witness
