Born Three Times:

Born Three Times Frieda S. Dixon, 2012-10-31 I prayed I would live so I could tell my story about the unseen divine hand that pushed and pulled me through lifetesting yet encouraging me to keep on keeping on Frieda Dixon only wanted to accomplish her goals and enjoy unconditional love but she seemed to be thwarted at every turn A family secret and tough economic times cast a cloud of uncertainty over her otherwise idyllic small town upbringing She moved from upstate New York to Georgia to seek new opportunities but she found it hard to adapt to southern culture Happiness seemed a sure thing when she got married until she found herself caught between pleasing her husband and caring for her aging parents all while raising two sons with chronically poor health In her late thirties she was diagnosed with an incurable liver disease Not many years after that she lost first her father then her husband and finally her mother In the face of all this grief and tribulation her faith in the sovereignty of God was severely tested Against all odds however she reclaims her close relationship with the Lord and finds love again Whats more the gift of a donor liver gave her a second chance to reclaim the years lost to disease death and despair Whether you are struggling with health problems of your own or of a loved one or just seeking to overcome obstacles Friedas memoir offers inspiration and encouragement The clock is always ticking but Frieda discovers that the power of faith and hard work can work miracles in *Born Three Times* *Born Three Times* won the Directors Choice Award at the Blue Ridge Mountains Christian Writers Conference on May 22 2013 *Voice of the Angel* Frank DiVita, 2009-11 In 1970 an awakening experience left the author with the gift of oracles similar to that of Nostradamus Although simple in structure at first the oracles were almost impossible to comprehend In time Frank noticed that the words started to cross reference themselves slowly revealing an ancient language Once understood this language would become a Rosetta Stone that unlocks the Hidden Mysteries of God s written Word illuminating for us the deeper meaning of religion past lives karma soul connections and the nature of Good and Evil The Oracles of Ephesus will unveil hidden knowledge from the Bible the Bhagavad Gita the Nag Hamaddi writings and the Dead Sea scrolls while helping you understand yourself and your relationship with your Creator
