Building Lives Constructing Rites And Passages:

Building Lives Neil Harris,1999-01-01 Drawing on sources including Masonic manuals tourist guidebooks and religious texts this illustrated study explores the rites of building passage over the past 150 years The author suggests that architecture is a performing art as well as a fine art

Building Magic Owen Davies,Ceri Houlbrook,2021-09-10 This book redresses popular interpretations of concealed objects enigmatically discovered within the fabric of post medieval buildings A wide variety of objects have been found up chimneybreasts bricked up in walls and concealed within recesses old shoes mummified cats horse skulls pierced hearts to name only some The most common approach to these finds is to apply a one size fits all analysis and label them survivals and apotropaic evil averting devices This book reconsiders such interpretations exploring the invention and reinvention of traditions regarding building magic The title Building Magic therefore refers to more than practices that alter the fabric of buildings but also to processes of building magic into our interpretations of the enigmatic material evidence and into our engagements with the buildings we inhabit and frequent

Obsolescence Daniel M. Abramson,2016-02-12 In our architectural pursuits we often seem to be in search of something newer grander or more efficient and this phenomenon is not novel In the spring of 1910 hundreds of workers labored day and night to demolish the Gillender Building in New York once the loftiest office tower in the world in order to make way for a taller skyscraper The New York Times puzzled over those who would sacrifice the thirteen year old structure as ruthlessly as though it were some ancient shack In New York alone the Gillender joined the original Grand Central Terminal the Plaza Hotel the Western Union Building and the Tower Building on the list of just one generation s razed metropolitan monuments In the innovative and wide ranging Obsolescence Daniel M Abramson investigates this notion of architectural expendability and the logic by which buildings lose their value and utility The idea that the new necessarily outperforms and makes superfluous the old Abramson argues helps people come to terms with modernity and capitalism s fast paced change Obsolescence then gives an unsettling experience purpose and meaning Belief in obsolescence as Abramson shows also profoundly affects architectural design In the 1960s many architects worldwide accepted the inevitability of obsolescence experimenting with flexible modular designs from open plan schools offices labs and museums to vast megastructural frames and indeterminate building complexes Some architects went so far as to embrace obsolescence s liberating promise to cast aside convention and habit envisioning expendable short life buildings that embodied human choice and freedom Others we learn were horrified by the implications of this ephemerality and waste and their resistance eventually set the stage for our turn to sustainability the conservation rather than disposal of resources Abramson s fascinating tour of our idea of obsolescence culminates in an assessment of recent manifestations of sustainability from adaptive reuse and historic preservation to postmodernism and green design which all struggle to comprehend and manage the changes that challenge us on all sides

[Beyond the Architect's Eye](#) Mary N. Woods,2013-12-11 Typical architectural photography freezes buildings in an ideal moment and rarely captures what

photographer Berenice Abbott called the medium's power to depict how the past jostled the present. In *Beyond the Architect's Eye*, Mary N. Woods expands on this range of images through a rich analysis that commingles art, amateur, and documentary photography genres usually not considered architectural but that often take the built environment as their subject. Woods explores how photographers used their built environment to capture the disparate American landscapes prior to World War II when urban and rural areas grew further apart in the face of skyscrapers, massive industrialization, and profound cultural shifts. Central to this study is the work of Alfred Stieglitz, Frances Benjamin Johnston, and Marion Post Wolcott, but Woods weaves a wider narrative that also includes Alice Austen, Gertrude K. Seibler, Berenice Abbott, Margaret Bourke-White, Helen Levitt, Lisette Model, Louise Dahl Wolfe, Morgan and Marvin Smith, Eudora Welty, Samuel Gottscho Walker, Evans, Max Waldman, and others. In such disparate places as New York City, the rural South, and the burgeoning metropolis of Miami, these unconventional architectural photographers observed buildings as deeply connected to their context. Whereas Stieglitz captured New York as the quintessential modern urban landscape in the period, the South was its opposite, a land supposedly frozen in the past. Yet just as this myth of the Old South crystallized in photographs like Johnston's *A New South*, shaped by popular culture and modern industry, arose, Miami embodied both of these visions. In Wolcott's work, agricultural fields where stoop labor persisted were juxtaposed with Art Deco hotels, a popular modernism of the machine age that remade Miami Beach into a miniaturized Manhattan on the beach. *Beyond the Architect's Eye* is a groundbreaking study that melds histories of American art, cities, and architecture with visual studies of landscape photography and cultural geography.

Vernacular Architecture Newsletter, 2000

Untimely Ruins Nick Yablon, 2010-06-15 American ruins have become increasingly prominent, whether in discussions of urban blight and home foreclosures, in commemorations of 9/11, or in postapocalyptic movies. In this highly original book, Nick Yablon argues that the association between American cities and ruins dates back to a much earlier period in the nation's history. Recovering numerous scenes of urban desolation, from failed banks, abandoned towns, and dilapidated tenements to the crumbling skyscrapers and bridges envisioned in science fiction and cartoons, *Untimely Ruins* challenges the myth that ruins were absent or insignificant objects in nineteenth-century America. The first book to document an American cult of the ruin, *Untimely Ruins* traces its deviations as well as derivations from European conventions. Unlike classical and Gothic ruins, which decayed gracefully over centuries and inspired philosophical meditations about the fate of civilizations, America's ruins were often untimely, appearing unpredictably and disappearing before they could accrue an aura of age. As modern ruins of steel and iron, they stimulated critical reflections about contemporary cities and the unfamiliar kinds of experience they enabled. Unearthing evocative sources everywhere, from the archives of amateur photographers to the contents of time capsules, *Untimely Ruins* exposes crucial debates about the economic, technological, and cultural transformations known as urban modernity. The result is a fascinating cultural history that uncovers fresh perspectives on the American city.

Skyscraper Benjamin Flowers, 2009-10-12 In *Skyscraper*, Benjamin Flowers explores

the role of culture and ideology in shaping the construction of skyscrapers and the way wealth and power have operated to reshape the urban landscape

Cass Gilbert Life And Work Barbara S Christen, Steven Flanders, 2001-12-04 Nineteen essays by a diverse group of historians and others who experience and study Gilbert's buildings in their professional lives detail the intricate relationship between Gilbert's work and the longstanding tradition of public architecture in America This volume examines Gilbert's work in five unique categories the building of a national practice an evaluation of his Minnesota State Capitol as a defining moment in American civic architecture his New York career his response to civic ideals in his plans for towns and universities and his work in the public domain

Building Lives Constructing Rites And Passages Introduction

In the digital age, access to information has become easier than ever before. The ability to download Building Lives Constructing Rites And Passages has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Building Lives Constructing Rites And Passages has opened up a world of possibilities. Downloading Building Lives Constructing Rites And Passages provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Building Lives Constructing Rites And Passages has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Building Lives Constructing Rites And Passages. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Building Lives Constructing Rites And Passages. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Building Lives Constructing Rites And Passages, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To

protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Building Lives Constructing Rites And Passages has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Building Lives Constructing Rites And Passages Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Building Lives Constructing Rites And Passages is one of the best book in our library for free trial. We provide copy of Building Lives Constructing Rites And Passages in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Building Lives Constructing Rites And Passages. Where to download Building Lives Constructing Rites And Passages online for free? Are you looking for Building Lives Constructing Rites And Passages PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Building Lives Constructing Rites And Passages. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Building Lives Constructing Rites And Passages are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy

for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Building Lives Constructing Rites And Passages. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Building Lives Constructing Rites And Passages To get started finding Building Lives Constructing Rites And Passages, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Building Lives Constructing Rites And Passages So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Building Lives Constructing Rites And Passages. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Building Lives Constructing Rites And Passages, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Building Lives Constructing Rites And Passages is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Building Lives Constructing Rites And Passages is universally compatible with any devices to read.
