Lone Wolf #4: Desert Stalker Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer Memo To Network Subject Burt Wulff This man must be killed on sight Details of the bounty will be distributed in a further memo Subject is a veteran of combat and displays an extremely sophisticated knowledge of explosives incendiary devices armaments of all kinds and hand to hand combat He is responsible for at least on hundred and fifty deaths and it appears that his war is now accelerating In the twelve years of the interlocking organization and the important supply pact of 1963 no such danger had appeared Wulff is only one man but for that precise reason retains a great freedom of action He is a cold remorseless killer and the danger he represents is not to be ignored *Lone Wolf #3* Barry N. Malzberg,2022-05-16 Some innocent people were going to be badly hurt But he had to remember that there was no innocence in this trade that anyone and everything touched by junk became irretrievably rotten and then had to pay the price If he began to think of checks and balances levels of thought then he was beginning only to think like a cop or a bureaucrat again That was why the enforcers were only another component of the disease because they refused to accept responsibility and follow it through To fight vermin you had to be one Burt Wulff is beyond forgiveness beyond vengeance He is the Lone Wolf
