Desiring Cairo:

Desiring Cairo Louisa Young, 2015-10-08 The sparky funny sequel to Louisa Young's acclaimed first novel of belly dancing motorbikes and single parenthood Angeline has a surprise waiting for her and it's one that threatens everything she holds dear Everything used to mean herself and her Harley Davidson now it means her sister's baby Lily and a life that they have just got back on track But these letters bring a threat that cannot be ignored and send Angeline back to Cairo where love chaos and maybe redemption are lying in wait for her Ever intrepid Angeline is a heroine of the new guard in the second instalment of Louisa Young's deliciously funny and razor sharp trilogy Palace of Desire Naguib Mahfouz, 2016-06-15 The second volume of the highly acclaimed Cairo Trilogy from the winner of the Nobel Prize for Literature Filled with compelling drama earthy humor and remarkable insight Palace Of Desire is the unforgettable story of the violent clash between ideals and realities dreams and desires

Desiring Arabs Joseph A. Massad, 2008-09-15 Sexual desire has long played a key role in Western judgments about the value of Arab civilization In the past Westerners viewed the Arab world as licentious and Western intolerance of sex led them to brand Arabs as decadent but as Western society became more sexually open the supposedly prudish Arabs soon became viewed as backward Rather than focusing exclusively on how these views developed in the West in *Desiring Arabs* Joseph A Massad reveals the history of how Arabs represented their own sexual desires To this aim he assembles a massive and diverse compendium of Arabic writing from the nineteenth century to the present in order to chart the changes in Arab sexual attitudes and their links to Arab notions of cultural heritage and civilization A work of impressive scope and erudition Massad's chronicle of both the history and modern permutations of the debate over representations of sexual desires and practices in the Arab world is a crucial addition to our understanding of a frequently oversimplified and vilified culture A pioneering work on a very timely yet frustratingly neglected topic I know of no other study that can even begin to compare with the detail and scope of this work Khaled El Rouayheb Middle East Report In *Desiring Arabs* Edward Said's disciple Joseph A Massad corroborates his mentor's thesis that orientalist writing was racist and dehumanizing Massad brilliantly goes on to trace the legacy of this racist internalized orientalist discourse up to the present Financial Times Palace of Desire Najīb Maḥfūz, 1992 In paperback for the first time Nobel Prize winner Naguib Mahfouz's bestselling *Palace of Desire* will be published to coincide with Doubleday's publication of *Sugar Street* the third and final volume of the Cairo Trilogy *The Cairo Trilogy* Naguib Mahfouz, 2016-06-15 Nobel Prize winner Naguib Mahfouz's magnificent epic trilogy of colonial Egypt *Palace Walk* *Palace of Desire* and *Sugar Street* together for the first time in one beautiful hardcover volume The masterwork of the Nobel Prize winning author the three novels of *The Cairo Trilogy* trace three generations of the family of tyrannical patriarch Al Sayyid Ahmad Abd al Jawad who rules his household with a strict hand while living a secret life of self indulgence *Palace Walk* introduces us to his gentle oppressed wife Amina his cloistered daughters Aisha and Khadija and his three sons the tragic and idealistic Fahmy the dissolute hedonist Yasin and the soul

searching intellectual Kamal Al Sayyid Ahmad's rebellious children struggle to move beyond his domination in *Palace of Desire* as the world around them opens to the currents of modernity and political and domestic turmoil brought by the 1920s. *Sugar Street* brings Mahfouz's vivid tapestry of an evolving Egypt to a dramatic climax as the aging patriarch sees one grandson become a Communist, one a Muslim fundamentalist, and one the lover of a powerful politician. Throughout the trilogy, the family's trials mirror those of their turbulent country during the years spanning the two World Wars as change comes to a society that has resisted it for centuries. Filled with compelling drama, earthy humor, and remarkable insight, *The Cairo Trilogy* extends our knowledge of life; it also confirms it. *The Boston Globe* Everyman's Library pursues the highest production standards, printing on acid-free cream-colored paper with full cloth cases with two-color foil stamping, decorative endpapers, silk ribbon markers, European-style half-round spines, and a full-color illustrated jacket. Contemporary Classics include an introduction, a select bibliography, and a chronology of the author's life and times.

Palace of Desire Najib Maḥfūz, 1991

Love, Sex, and Desire in Modern Egypt L. L. Wynn, 2018-11-23 Cairo is a city obsessed with honor and respectability and love affairs. Sara, a working-class woman, has an affair with a married man and becomes pregnant, only to be abandoned by him. Ayah and Zeid, a respectably engaged couple, argue over whether Ayah's friend is a prostitute or a virgin. Malak, a European belly dancer who sometimes gets paid for sex, wants to be loved by a man who won't treat her like a whore just because she's a dancer. Alia, a Christian banker who left her abusive husband, is the mistress of a wealthy Muslim man, Haroun, who encourages business by hosting risqué parties for other men and their mistresses. Set in transnational Cairo over two decades, *Love, Sex, and Desire in Modern Egypt* is an ethnography that explores female respectability, male honor, and Western theories and fantasies about Arab society. L. L. Wynn uses stories of love affairs to interrogate three areas of classic anthropological theory: mimesis, kinship, and gift. She develops a broad picture of how individuals love and desire within a cultural and political system that structures the possibilities of and penalties for going against sexual and gender norms. Wynn demonstrates that love is at once a moral horizon, an attribute that naturally inheres in particular social relations, a social phenomenon strengthened through cultural concepts of gift and kinship, and an emotion deeply felt and desired by individuals.

Sex and Desire in Muslim Cultures Aymon Kreil, Lucia Sorbera, Serena Tolino, 2020-12-10 What have different ideas about sex and gender meant for people throughout the history of the Middle East and North Africa? This book traces sex and desire in Muslim cultures through a collection of chapters that span the 9th to 21st centuries. Looking at spaces and periods where sexual norms and the categories underpinning them emerge out of multiple subjectivities, the book shows how people constantly negotiate the formulation of norms, their boundaries, and their subversion. It demonstrates that the cultural and political meanings of sexualities in Muslim cultures, as elsewhere, emerge from very specific social and historical contexts. The first part of the book examines how people constructed, discussed, and challenged sexual norms from the Abbasid to the Ottoman period. The second part looks at literary and cinematic Arab

cultural production as a site for the construction and transgression of gender norms The third part builds on feminist historiography and social anthropology to question simplistic dichotomies and binaries Each of the contributions shows how understanding of sexualities and the subjectivities that evolve from them are rooted in the mutually constitutive relationships between gender and political power In identifying the plurality of discourses on desires the book goes beyond the dichotomy of norm and transgression to glimpse what different sexual norms have meant at different times across the Middle East
