John Skinner

Compass XI:

Meet My Brothers Part XL Sophie, Amelia Cromwell never knew she wasn't born into the Milton family. It wasn't until she felt everyone hated her and the Milton family drove her out, telling her to go back to her village people, biological parents, that the truth came out. Amelia smiled lightly, ready to reveal her true identity and shock everyone. But to her surprise, the so-called village people the Milton family referred to was actually the richest family in New York. Cromwell, in the blink of an eye, she went from being the scorned fake rich girl to the beloved real daughter of Cromwell, pampered by six older brothers. The domineering oldest brother pauses the meeting, books the return flight to the country. Let's see who dares to bully my little sister. The superstar second brother cancels the performance. I'm going to pick up my little sister right now. The genius third brother delays the competition. Nothing is more important than my little sister. The Milton family deeply regretted their actions, and her childhood friend turned around to try and please her. Before Amelia could even respond with a no, a proposal from the head of the prestigious Jenkins family, Carl Jenkins, CEO of the Jenkins Group, made headlines and sent her trending.
