An immediate success when it was first published in 1653 Walton's classic celebration of the joys of fishing continues to captivate anglers and nature lovers with its timeless advice and instruction Originally cast in the form of a dialogue between an experienced angler named Piscator and his pupil Viator the book details methods for catching eating and savoring all varieties of fish from the common chub to the lordly salmon More than an engaging guide to the subtle intricacies of the sport Walton's reflective treatise is a graceful portrait of rural England that extols the pleasures of country life The Compleat Angler is not about how to fish but about how to be said novelist Thomas McGuane Walton spoke of an amiable mortality and rightness on the earth that has been envied by his readers for three hundred years     **The Complete Angler, Or, The Contemplative Man's Recreation** Izaak Walton,1939

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
