Babe Ruth and the 1918 Red Sox Allan Wood,2000-12-26 Babe Ruth and the 1918 Red Sox is the first complete account of Boston s fifth World Series championship The year is famous but most fans know very little about the season During that tumultuous summer the Great War in Europe cast an ominous shadow over the national game as enlistments and the draft wreaked havoc with every team s roster Players and owners fought bitterly over contracts and revenue the parks were infested with gamblers and the Red Sox and the Chicago Cubs almost called off the World Series And a Boston player known as The Colossus 23 year old Babe Ruth began his historic transformation from pitching ace to the game s greatest slugger Wood also poses a chilling question Was the 1918 World Series fixed Sports Illustrated called the book an entertaining and exhaustive account of a tumultuous season and Robert W Creamer author of the definitive biography of Ruth said Mr Wood has lit upon one of the most turbulent and important and at the same time least known years in baseball history He has done remarkable revelatory research and he has a clean clear way of writing **The Ultimate Book of Sports Lists, 1998** Mike Meserole,1997 Filled with fascinating facts on sports from baseball to boxing and competitive

venues from college to the Olympics this new and definitive illustrated annual sports reference manual includes a wealth of statistics including the 1997 World Series plus full color photos [Spalding's Official Baseball Record](#) ,1915 **Pro Football Register** ,2001 [This Day in Sports](#) Ernie Gross,2017-07-06 Sports events represent for many landmarks for memories contexts that securely fix moments in past time And in America perhaps more than in any other country they are part of what connects the individual to the multitude When we add them to our remembrances they subtly suggest that like sporting contests our personal tales are fit for public consumption How easy and natural it is to add a little referential sidebar to the stories we tell I started work in January I remember because the Bills had just lost the Super Bowl the fourth one On a broader scale sports have left their imprint on the stony history of the nation Beginning slowly with a game of bowls 1611 something like miniature golf in New England 1652 horse racing on Long Island and billiards in Charlestown 1722 the sporting life then gained momentum and a firmer grip on the national conscience with the early play of baseball basketball and football games that would come to dominate the sports scene in 20th century America Organized by day of the year this volume provides the browser the trivia buff and the sports historian a record of thousands of frames matches series and championships Whether it s the day a bases loaded walk gave the National League its 16th All Star victory in 17 seasons July 17 1979 or the day Harvard defeated Yale and Brown in the first ever intercollegiate regatta July 26 1859 there s something new buried within the tome s 365 layers for even the most knowledgeable fans **Proceedings & Newsletter** North American Society for Sport History,1996 [Elias Book of Baseball Records](#) Seymour Siwoff,2005 [DK Ultimate Sports Lists](#) Mike Meserole,1999 **The Postwar Yankees** David George Surdam,2021-12-13 The Yankees and New York baseball entered a golden age between 1949 and 1964 a period during which the city was represented in all but one World Series While the Yankees dominated however the years were not so golden for the rest of baseball In The Postwar Yankees Baseball s Golden Age Revisited David G Surdam deconstructs this idyllic period to show that while the Yankees piled on pennants and World Series titles through the 1950s Major League Baseball attendance consistently declined and gate revenue disparity widened through the mid 1950s Contrary to popular belief the era was already experiencing many problems that fans of today s game bemoan including a competitive imbalance and callous owners who ran the league like a cartel Fans also found aging decrepit stadiums ill equipped for the burgeoning automobile culture while television and new forms of leisure competed for their attention Through an economist s lens Surdam brings together historical documents and off the field numbers to reconstruct the period and analyze the roots of the age s enduring mythology examining why the Yankees and other New York teams were consistently among baseball s elite and how economic and social forces set in motion during this golden age shaped the sport into its modern incarnation **Cold War America, 1946 To 1990** Facts on File Inc,Ross Gregory,2014-05-14 Uses statistical tables charts photographs maps and illustrations to explore everyday life in the United States during the Cold War period
