The Insiders Guide to Profitable Niche Research Hany ANIS,2018-12-28 An Easy Guide to Help You Find the Perfect Niche MarketGet rich quick schemes are just that schemes You can t expect to start earning tens of thousands of dollars within a couple of weeks by simply buying an e book that a lot of self proclaimed Internet marketing gurus say will earn you a fortune overnight Earning your place on the Internet takes time and effort because there are no shortcuts to success and if you want to make it big online you have to be willing to go through the hardships until you discover your very own gold mine One of the best moneymaking methods used by many successful individuals is niche marketing and when you have discovered the perfect topic then you can build a website around it that will either directly sell products services or promote them Niche marketing has made a lot of people rich simply because it offers high conversion rates and thus give you higher returns on your investment So if you are still trying to figure out what the perfect niche for you would be then this very simple niche selection guide will be able to help you The first step is to make a list of at least 5 topics These topics could be any random things that come out of your head For example dog kitchen cell phone bed and children Then using a keyword analysis tool type these words in the search box one at a time The topics we ve chosen above are too broad so we want to be able to break them down into smaller topics and these are what are referred to as niches With the help of a keyword analysis tool like Google Adword s keyword tool for example you will get the following terms for the dog topic Dog breeds Dog grooming Dog supplies Dog trainingThese are still quite broad topics to be considered a niche though if you want to build a big authority website then it might be all right to go for any of them However if you want a more targeted niche you can continue to dig deeper into each of these topics So if you are interested in dog training then do a keyword search on it You will likely get the following topics Acoma dog training Adult dog training Adult dog potty training Aggressive dog behavior trainingAnd so on If you think any of the topics on this list appeals to you based on factors such as high monthly search volume and low competition then you can proceed to find a list of keywords for this niche that you can create content on You should choose a niche that has a large list of keywords or related keywords so that you can build more

content for your site The bigger your site the better When you have chosen your niche the next step is to start building your website and deciding on how you intend to monetize it *Ultimate Guide to Building And Ranking Sites in 2021* Brian Conwell,2021-01-18 BUILDING RANKING SITE IN 2021 If you follow this guide step by step do all of the required planning and perhaps add a few twists to make the project your own you will surely succeed Does your business want to rank on the first page of search results Then you need to learn about web design and search engine optimization SEO strategies a critical duo in SEO When you create a site that nails SEO and website design you make it possible for your business to rank higher in search results which translates to more traffic leads and revenue right Great This book will teach you the key factors that you need to include in your website building plan from start to finish These include but not limited to Competition Monetization Niche selection Keywords and topics Link building strategy Offsite SEO Link Building Domain purchasing hosting set up Theme choice installation and setup Format for writing content that converts Whether you re brand new to online marketing or you have been doing it for a while Whether you re new to website building ranking or already part of the crew I m sure you ll find something useful in this guide The landscape of SEO and link building is always changing and in 2021 the need to understand and implement high quality campaigns is essential if you re going to compete and thrive online and that isn t going to change any time soon This definitive guide is designed to get you going quickly and in the right direction There is a lot to take in but I have broken everything up into easy to digest chapters and subheadings and I have included lots of examples along the way
