

City Cop

Robert M. Fogelson

City Cop:

Kansas City Cop Julie Miller, 2018-03-01 From a USA Today bestselling author a policewoman finds a sexy partner to help her recover from a career changing injury and hunt down a murderer After a gunshot rips streetwise police officer Gina Galvan from the line of duty all she wants is to return to the front line and stop a shooter But good guy physical therapist Mike Cutler won't back down from a challenge or his blazing attraction to Gina Without a badge or a gun Mike is ready to face anyone including the killer that still lurks to prove he's every inch a hero **Charm City Cop** John F.

Reintzell, 2018-09-27 The men and women who've saved Baltimore from a complete meltdown for the past several decades are the city's police and fire department members blue collar employees who consistently put the city's welfare ahead of their own Steve Tabeling is one of them but no one would have ever predicted he'd become a decorated police officer At age fourteen he left school he hoped forever and became a hardworking apprentice for his father tearing out the insides of coal burning home furnaces He also met Dolores who everyone called Honey They married a few years later Two years after the wedding their first baby arrived and Tabeling ironically became a police officer He had the good fortune to be paired with a man who had something to prove and who didn't give up easily But police work did not come without problems Shortly into the job Tabeling shot and killed an armed robber and he found himself not just fighting for his job but for his freedom Tabeling's journey from a troubled youth to a family man and police officer who rose up the ranks to make a tremendous difference shows that anyone can achieve success *Deliver Us from Evil: A New York City Cop Investigates the Supernatural* Ralph Sarchie, Lisa Collier Cool, 2014-06-10 Sixteen year NYPD veteran Ralph Sarchie investigates cases of demonic possession and assists in the exorcisms Now he discloses for the first time his investigations into incredible true crimes and inhuman evil that were never explained solved or understood by anyone except Sarchie and his partner Photos

The Job Steve Osborne, 2016-03-22 A nice quiet night During his two decades on the force if you asked NYPD officer Steve Osborne how things were going that's what he'd tell you On a stakeout Nice quiet night Drive by shooting Nice quiet night Now with The Job he's ready to talk and does he have some stories to tell Most civilians get their information about police work from television shows which are pure fantasy Here Osborne takes us into his world the gritty and not so glamorous life of real street cops And along the way he finds humor and soul searching humanity in the most unlikely places For anyone interested in knowing what a cop's life is all about this is a must read **City Cop** Fred J. Cook, 1979 A policeman tells of his first years on the beat in New York City **The New York City Police Department** John A. Eterno, 2017-09-20 Studying the flagship New York City Police Department is critical to understanding policing and democratic society An examination of the department by experts who have been studying it for years The New York City Police Department The Impact of Its Policies and Practices provides a frank and open discussion about the NYPD from an elite group of Census of Population and Housing, 1980 (United States), 1984 ... **Official Catalogue** ... Moses Purnell

Handy,1893 **New York City Police Corruption Investigation Commissions, 1894-1994: Mollen Commission report** Gabriel Jackson Chin,1997 **The City Record** New York (N.Y.),1894 *Big-city Police* Robert M. Fogelson,1977 This book looks at the impact of two major police reform movements on the social mobility of ethnic groups the distribution of political power the struggle for status in urban America and police professionalism are explored Social and political pressures which led to waves of police reform in 1890 to 1930 and again about 1940 to 1970 not only changed the average city police department into a centralized trained group of professionals but also changed the character of the American city Before 1890 the police department was an adjunct of the political machine Ward bosses hired and fired therefore police loyalty was to the neighborhood Most patrol jobs were political rewards and went to immigrants or sons of immigrants from the immediate area Laws were enforced on an ethnic basis The cost of this community control was widespread corruption and abuse The first wave of reform began about 1890 when middle class clergymen business leaders and social reformers began a move to centralize the police and remove political appointments A military model was adopted and the phrase war on crime coined By 1930 most major police departments had adopted the centralized beat approach and a civil service system was beginning A second wave of reform came from within police departments themselves Greater training greater professionalism and greater status for police were the cornerstones of this wave The emergence of police unions which became major political power blocs increased the force of the movement A third reform started tentatively in the late 1960s This movement calls for return of police accountability to the neighborhoods To date it has made little headway because police commissioners have incorporated its protests into the existing police department structure through community relations boards community grievance procedures and other institutionalized devices **New York City Police Department Street Crime Unit** Andrew Halper,Richard Ku,1975 This manual presents a detailed description of the policies procedures and results of the Street Crime Unit SCU which utilizes plainclothes police and decoys to apprehend robbery and assault suspects The primary objective is to effect quality arrests which lead to convictions with no increased danger to police or citizens This manual presents a detailed description of the policies and procedures which govern SCUM operations The chapters in this manual deal with specific areas of administrative concern focusing on manpower requirements as well as operational issues In addition to discussing policies and procedures each chapter debates replication issues among the topics presented are organization and administration personnel selection training and evaluation SCUM crime analysis methods deployment strategies and street tactics guidelines on confrontations and arrests and the housing hardware and communication systems of the SCUM The SCU s methods for maintaining the integrity of unit members are explored The legal issue of entrapment is discussed as well emphasizing the necessity for developing guidelines to assist officers in avoiding entrapment figures and facts on SCU costs and results are documented and arrest and conviction rates injury levels and crime reductive impact are discussed Although not complete recent statistics indicate that approximately 90 percent of

all SCU arrests result in conviction The final chapter presents a comprehensive evaluation design for assessing the outcomes and impacts of Street Crime Unit operations Appendixes contain statutes for assault larceny and robbery procedures for bribery arrest and stop and frisk an inventory of SCU equipment and various guidelines and forms relating to the interview and rating of SCU candidates and their subsequent training and performance evaluation The New York City Police Department Street Crime Unit is one of 13 programs which have earned the LEAA exemplary level *Official Catalogue of Exhibitors* ,1904 **Report of the Commissioner** ,1921 1925 Financial report included in 1926 *In a Strange City* Laura Lippman,2009-10-13 New York Times bestselling author Laura Lippman s Tess Monaghan must put her PI skills to the ultimate test when she falls into the crosshairs of a psychopath who knows everything about her For the past fifty years on the birth date of Edgar Allan Poe a person wearing a cloak has placed three roses and a half bottle of cognac on the writer s gravesite PI Tess Monaghan has never witnessed the event But when John P Kennedy an eccentric antiques dealer asks her to uncover the identity of the caped visitor who he believes has duped him with the sale of an inauthentic antique Tess decides to hold vigil on the night the cloaked stranger is expected to make an appearance But the custom takes on a bizarre fatal twist when two cloaked figures arrive The imitator leaves his tribute and then makes his escape after shooting the first visitor Warning bells tell Tess to steer clear of this case But when roses and cognac appear on her doorstep Tess s curiosity is piqued She soon discovers that John P Kennedy has vanished into thin air and much of what he told her was questionable Then the identity of the shooting victim comes to light and all clues seem to point to the possibility he was the target of a hate crime But Tess isn t convinced What was his connection to the decades long Edgar Allan Poe tradition and to the killer When more cryptic clues are left at her home Tess realizes that someone is watching her every move someone who s bent on killing again **Directory of Brokers and Salesmen** California. State Real Estate Division,1925 Hardware Trade Journal ,1929 Recreation ,1922 Policeman's Monthly ,1918 **New York Court of Appeals. Records and Briefs.** New York (State).,
