Copyright Office,1977 Includes index **Introduction to Local Government Finance** J. S. H. Gildenhuys,1997 As the title intimates this concise book is an introduction to the study of local government finance It is an enlightening work aimed primarily at undergraduate students studying local government and administration at universities technikons and technical colleges **Library of Congress Catalogs** Library of Congress,1979 Spatial Planning and Urban Development in the New EU Member States Uwe Altrock,Simon Güntner,2017-03-02 Accession to the EU in May 2004 was a historic milestone for the spatial and urban development of the new member states Meanwhile the social and economic transition during the pre accession phase already brought about radical changes in national urban systems and new challenges for regional development In this edited volume a carefully selected and specially commissioned set of articles written by experts from both the new and the old EU member states presents a comprehensive assessment of emerging political and planning solutions at local regional national and EU levels Topics include brownfield redevelopment in the Czech Republic urban sprawl in Hungary the upgrading and integration of marginalized Roma settlements in Eastern Slovakia and sustainable coastal management in Cyprus Subject Guide to Books in Print ,1997 *New York City Politics* Bruce F. Berg,2007-11-12 Most experts consider economic development to be the dominant factor influencing urban politics They point to the importance of the finance and real estate industries the need to improve the tax base and the push to create jobs Bruce F Berg maintains that there are three forces which are equally important in explaining New York City politics economic development the city s relationships with the state and federal governments which influence taxation revenue and public policy responsibilities and New York City s racial and ethnic diversity resulting in demands for more equitable representation and greater equity in the delivery of public goods and services New York City Politics focuses on the impact of

these three forces on the governance of New York City's political system including the need to promote democratic accountability, service delivery, equity, as well as the maintenance of civil harmony. This second edition updates the discussion with examples from the Bloomberg and de Blasio administrations, as well as current public policy issues including infrastructure, housing, and homelessness, land use regulations, and education. *Policy Analysis and Management* Robert Goehlert, Fenton S. Martin, 1985 Bowker's Law Books and Serials in Print, 1986 *The Organisation of Government* J. S. H. Gildenhuis, A. Knipe, 2000. A theoretical knowledge of the macro organization of the government and its fundamental philosophies is basic to the study of public administration and management. This text is designed to enable students to evaluate a specific government system. **Subject Catalog** Library of Congress, **Catalogue** Harvard University. Graduate School of Design.
