Jonathan Smele

Civil War In Russia:

The Russian Civil War Evan Mawdsley,2009-02-24 Examines the causes and events of the 1917 revolution in Russia that led to the rise of Communism

The "Russian" Civil Wars, 1916-1926 Jonathan Smele,2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book s focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author s concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow

The Origins of the Russian Civil War Geoffrey Swain,2013-11-26 Concentrating on the turbulent months from February 1917 to November 1918 Geoffrey Swain explores the origins of the Civil War against the wider background of revolutionary Russia He examines the aims of the anti Bolshevik insurgents themselves but he also shows how far the fear of civil war governed the action of the Provisional Government and even the plans of the Bolsheviks If the war itself can seem a fairly straightforward line up of revolutionaries and counter revolutionaries this study reveals how complex were the motives of the people who precipitated it

Red Victory W. Bruce Lincoln,1989 A chronicle of the Russian Civil War from 1918 to 1921

Russia in Flames Laura Engelstein,2018 Laura Engelstein one of the greatest scholars of Russian history has written a searing and defining account of the Russian Revolution the fall of the old order and the creation of the Soviet state

Civil War in Russia, 1917-1920 John Francis Nejez Bradley,1975

Civil War in Russia David Footman,1975

Experiencing Russia's Civil War Donald J. Raleigh,2002-11-17 This book is the only comprehensive history of the total experience of the Russian Civil War Focusing on the key Volga city of Saratov and the surrounding region Donald Raleigh is the first historian to fully show how the experience of civil war embedded itself into both the people s and the state s outlook and behavior He demonstrates how and why the programs and ideals that had propelled the Bolsheviks into power were so quickly lost and the repressive Soviet party state was born Experiencing Russia s Civil War is based on exhaustive use of previously classified local and central archives It is also bold and ambitious in its breadth of thematic coverage dealing with all aspects of the war experience from institutional evolution and demographics to survival strategies Complicating our understanding of this formative period Raleigh provides compelling evidence that many features of the Soviet system that we

associate with the Stalin era were already adumbrated and practiced by the early 1920s as Bolshevism became closed to real alternatives Raleigh interprets this as the consequence of a complex dynamic shaped by Russia's political tradition and culture Bolshevik ideology and dire political economic and military crises starting with World War I and strongly reinforced by the indelible mythologized experience of survival in the Civil War Fluidly written replete with new information and always engaged with important questions this is history finely wrought

Red Victory W. Bruce Lincoln, 1999-05-07 Shortly after withdrawing from World War I Russia descended into a bitter civil war unprecedented for its savagery epidemics battles mass executions forced labor and famine claimed millions of lives From 1918 to 1921 through great cities and tiny villages across untouched forests and vast frozen wasteland the Bolshevik Reds fought the anti Communist Whites and their Allies fourteen foreign countries contributed weapons money and troops including 20 000 American soldiers This landmark history re creates the epic conflict that transformed Russia from the Empire of the Tsars into the Empire of the Commissars while never losing sight of the horrifying human cost

The Russian Civil War Evan Mawdsley, 2011-07-04 The Russian Civil War of 1917 1920 out of which the Soviet Union was born was one of the most significant events of the twentieth century The collapse of the Tsarist regime and the failure of the Kerensky Provisional Government nearly led to the complete disintegration of the Russian state This book however is not simply the story of that collapse and the rebellion that accompanied it but of the painful and costly reconstruction of Russian power under a Soviet regime Evan Mawdsley's lucid account of this vast and complex subject explains in detail the power struggles and political manoeuvres of the war providing a balanced analysis of why the Communists were victors This edition includes illustrations a new preface and an extensively updated bibliography The best book ever written on the Russian Civil War a first rate work of scholarly synthesis Robert McNeal a miracle of concision clarity and completeness Michael Malancon abounds in controversial judgements ably backed and well documented D A Longley

The Russian Civil War V.P. Butt, Geoffrey Swain, A.B. Murphy, N.A. Myshov, 2016-01-07 Russia's experiences during the Civil War determined the framework within which the Russian people were governed throughout the Soviet period These newly released documents reveal how the events of 1918 22 reflected struggles and tensions in Russian society that were more complex than the simple Red White propaganda war In this collection the authors have sought out documents which highlight the complexities of the struggle exploring episodes which shed light on what was a multifaceted struggle which left wounds on Russian society which never healed

The Russian Revolution Nik Cornish, 2012-07-19 Often the drama of the October Revolution and the Bolshevik seizure of power overshadow the disastrous Russian German war that preceded it and the extended confusing many sided civil war between the Reds and the Whites that followed But Nik Cornish's vivid photographic history gives equal coverage to each of these momentous events and shows how the Russian empire of the Romanovs was transformed into the Soviet dictatorship Contemporary photographs show the leading characters in the drama Tsar Nicholas II Kerensky Lenin and Trotsky and other Bolsheviks and the White

commanders Denikin Kolchak Wrangel and the rest But they also record in an unforgettable way the ordinary people who were caught up in the surge of events civilian crowds on the city streets peasant groups in the villages the faces of common soldiers on all sides who fought on multiple fronts across Russia from Poland the Baltic states and the White Sea to the Black Sea and Siberia The scale of the conflict was remarkable as was the intensity of the experience of those who took part and witnessed it and this collection of historic photographs gives a poignant insight into the conditions of their time It is a fascinating introduction to a period that saw a sea change in Russian history

Russian Civil War Michael Foley, 2018-08-30 This historical study examines how the Bolshevik Revolution and Russian Civil War influenced events on the world stage in the Great War and beyond The Russian Revolution of 1917 is remembered as the catalyst for a bloody conflict between the Communist Red Army and the anti Communist White Army But in reality the conflict was far more complex and multifaceted involving forces from outside Russia In this probing history Michael Foley examines the Russian Civil War in terms of its relationship to the larger conflict raging across Europe It is an epic tale of brutal violence and political upheaval featuring a colorful cast of characters including Tsar Nicholas II Vladimir Lenin Leon Trotsky Joseph Stalin and Winston Churchill

Civil War in South Russia, 1919-1920 Peter Kenez, 2023-09-01 The Russian Civil War a multifaceted struggle between the Bolsheviks and their opponents offers a profound lens into the dynamics of power ideology and societal upheaval At its core the war was more than a military contest it was a political battle for the hearts and minds of a fragmented nation While the Bolsheviks demonstrated superior political strategy organization and adaptability the Whites floundered due to their inability to construct effective institutions or garner widespread legitimacy This failure compounded by their reliance on outdated systems and resistance to political engagement critically undermined their capacity to govern and mobilize support Despite the seeming advantages of Allied aid and a pool of experienced administrators the Whites internal divisions and lack of cohesive vision rendered their efforts increasingly ineffectual This study delves into the political administrative and ideological shortcomings of the White movement particularly in South Russia as it evolved from initial optimism to ultimate collapse By examining the policies social structures and leadership dynamics within the White territories the analysis reveals a pattern of disconnection between central authority and local implementation Through a comparative approach the book highlights how the Bolsheviks ability to align their actions with the aspirations of the masses starkly contrasted with the Whites entrenched elitism and detachment While military operations and Allied involvement feature as important elements the primary focus lies on the political dimensions and institutional weaknesses that defined the conflict and determined its outcome Ultimately the Whites defeat underscores the essential interplay of legitimacy force and political engagement in shaping the trajectory of civil wars This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship

accessible once again using print on demand technology This title was originally published in 1977

The Bolshevik Revolution and Russian Civil War Rex A. Wade, 2001 Examines the Bolshevik Revolution and the Russian Civil War through narrative history and analysis biographies and primary documents also includes a glossary an annotated bibliography and a time line

[Making War, Forging Revolution](#) Peter Holquist, 2002-12-30 Reinterpreting the emergence of the Soviet state Holquist situates the Bolshevik Revolution within the continuum of mobilization and violence that began with World War I and extended through Russia's civil war thereby providing a genealogy for Bolshevik political practices that places them clearly among Russian and European wartime measures

[The Russian Civil War, 1918-1921](#) Richard W. Harrison, A.S. Bubnov, S.S. Kamenev, M.N. Tukhachevskii, R.P. Eideman, 2020-06-30 A wealth of knowledge For every incident chasing Kornilov or dealing with Admiral Kolchak the reader has a 360 degree view Roads to the Great War The Russian Civil War was one of the most fateful of the 20th century's military conflicts a bloody three year struggle whose outcome saw the establishment of a totalitarian communist regime within the former Russian Empire As such it commands the attention of the military specialist and layman alike as we mark the one hundredth anniversary of the war's end This work is the third volume of the three volume Soviet official history of the Russian Civil War which appeared during 1928-1930 just before the imposition of Stalinist orthodoxy While the preceding volumes focused on the minutiae of the Red Army's organizational development and military art this volume provides an in depth description and analysis of the civil war's major operations along the numerous fronts from the North Caucasus the Don and Volga rivers the White Sea area the Baltic States and Ukraine as well as Siberia and Poland It also offers a well argued case for the political reasons behind the Bolsheviks military strategy and eventual success against their White opponents And while it is a certainly a partisan document with a definite political bias it is at the same time a straightforward military history that manages to avoid many of the hoary myths that later came to dominate the subject As such it is easily the most objective account of the struggle to emerge from the Soviet Union before the collapse of the communist system in 1991

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-06-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history This work offers a bibliographical guide to this crucial period of history and includes key works in the major West European languages French German Italian Spanish Dutch Danish and others

Red Attack, White Resistance Peter Kenez, 2007-07-01 The first of a two volume history and analysis of the Russian Civil War this volume covers events in 1918 The republication of Professor Kenez's classic volumes is to be warmly welcomed Based on copious archival research and a close reading of published memoirs and mixing careful narrative with judicious analysis they still provide the definitive history of the anti Bolshevik movement in South Russia Their original publication provided an inspiration for a generation of scholars of the Russian Civil War the new edition will certainly inspire another The armchair historian too as well as all those interested in the fate of contemporary Russia will find much to admire and much to ponder

upon in this well told tale of one of the most bloody and tragic episodes in recent European history Jonathan D Smele University of London The profession will be delighted to learn that this classic study of the Russian Civil War 1917-21 on its most crucial battleground is again available Kenez's work was the first in any language to cut through the rhetoric of partisan memory and historiography in order to present a complicated and balanced view of both sides While demythologizing Soviet historical explanations Kenez is especially keen in displaying the enormous variety of the White or anti Communist movement and analyzing the causes of its defeat Richard Stites Georgetown University

The Russian Civil War, 1918-1921 A. S. Bubnov, S. S. Kamenev, M. N. Tukhachevskii, R. P. Eideman, 2020-08-31 The Russian Civil War was one of the most fateful of the 20th century's military conflicts a bloody three year struggle whose outcome saw the establishment of a totalitarian communist regime within the former Russian Empire As such it commands the attention of the military specialist and layman alike as we mark the one hundredth anniversary of the war's end This work is the third volume of the three volume Soviet official history of the Russian Civil War which appeared during 1928-1930 just before the imposition of Stalinist orthodoxy While the preceding volumes focused on the minutiae of the Red Army's organizational development and military art this volume provides an in depth description and analysis of the of the civil war's major operations along the numerous fronts from the North Caucasus the Don and Volga rivers the White Sea area the Baltic States and Ukraine as well as Siberia and Poland It also offers a well argued case for the political reasons behind the Bolsheviks military strategy and eventual success against their White opponents And while it is a certainly a partisan document with a definite political bias it is at the same time a straightforward military history that manages to avoid many of the hoary myths that later came to dominate the subject As such it is easily the most objective account of the struggle to emerge from the Soviet Union before the collapse of the communist system in 1991

Civil War In Russia Introduction

In today's digital age, the availability of Civil War In Russia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Civil War In Russia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Civil War In Russia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Civil War In Russia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Civil War In Russia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Civil War In Russia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Civil War In Russia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Civil War In Russia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Civil War In Russia books and manuals for download and embark on your journey of knowledge?

FAQs About Civil War In Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Civil War In Russia is one of the best book in our library for free trial. We provide copy of Civil War In Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Civil War In Russia. Where to download Civil War In Russia online for free? Are you looking for Civil War In Russia PDF? This is definitely going to save you time and cash in something you should think about.
