Supreme Court ruled that state bans on gay marriage were unconstitutional making same sex unions legal across the United States But the road to that momentous decision was much longer than many know In this definitive account Sasha Issenberg vividly guides us through same sex marriage s unexpected path from the unimaginable to the inevitable It is a story that begins in Hawaii in 1990 when a rivalry among local activists triggered a sequence of events that forced the state to justify excluding gay couples from marriage In the White House one president signed the Defense of Marriage Act which elevated the matter to a national issue and his successor tried to write it into the Constitution Over twenty five years the debate played out across the country from the first legal same sex weddings in Massachusetts to the epic face off over California s Proposition 8 and finally to the landmark Supreme Court decisions of *United States v Windsor* and *Obergefell v Hodges* From churches to hedge funds no corner of American life went untouched This richly detailed narrative follows the coast to coast conflict through courtrooms and war rooms bedrooms and boardrooms to shed light on every aspect of a political and legal controversy that divided Americans like no other Following a cast of characters that includes those who sought their own right to wed those who fought to protect the traditional definition of marriage and those who changed their minds about it The Engagement is certain to become a seminal book on the modern culture wars *Out*, 2004-09 *Out* is a fashion style celebrity and opinion magazine for the modern gay man *Out*, 2004-08 **Symposium**, 2009 *Clashing Views on Social Issues* Kurt Finsterbusch, 2007-04 This EXPANDED Fourteenth Edition of TAKING SIDES SOCIAL ISSUES provides two additional current controversial issues All of the issues are presented in a debate style format designed to stimulate student interest and develop critical thinking skills Each issue is thoughtfully framed with an issue summary an issue introduction and a postscript An instructor s manual with testing material is available for each volume USING TAKING SIDES IN THE CLASSROOM is also an excellent instructor resource with practical suggestions on incorporating this effective approach in the classroom Each TAKING SIDES reader features an annotated listing of selected World Wide Web sites and is supported by our student website [www.mhcls.com](http://www.mhcls.com) online *The Publishers Weekly*, 1909 [Cardozo Journal of Law & Gender](#), 2006 *Sexual Orientation and the Law* James M.
