The complete beginner's guide to AI side hustles, passive income, and Ghost Income from day one. Most people trying to make money with AI in 2026 are doing it completely wrong, and the proof is in how little they are actually earning. They are building audiences. Creating content. Posting daily. Waiting for algorithms to reward them. Studying personal branding. And after months of effort, they are generating a fraction of what a small, quiet, growing group of completely invisible operators are earning every single month without a single follower, a single post, or a single person knowing their name. *Ghost Income: Zero Followers, Zero Excuses* is the book that exposes how this invisible group operates and gives you the complete step-by-step system to join them, starting from absolute zero, using AI.
