Veteran collector and historian Shannon Pritchard spent years gathering priceless and often one-of-a-kind items to present this stunning display of a culture and society that exists today only in books and movies. Collecting the Confederacy is broken down into twenty chapters, each of which focuses on a particular type of artifact, from canteens to belt buckles, flags to uniforms, pistols to swords, and fourteen more. Each of these chapters begins with a fascinating and insightful introduction to the subject matter, followed by photographs accompanied with detailed captions. This lavishly illustrated and meticulously crafted full-color volume will be welcome by historians and collectors around the world. About the Author: Shannon Pritchard has been collecting Civil War memorabilia for nearly 20 years.
