

# Civil War The

**Don H. Doyle**

## **Civil War The:**

**A History of the Civil War** Brooks D. Simpson, 2023-07-01 In this account of the bloodiest war fought on American soil Brooks Simpson recounts the events of the war from the opening salvo at Fort Sumter through the battlefields of Gettysburg and Shiloh to the Confederate surrender at Appomattox Court House A History of the Civil War brings to life the realities of the war and the people who lived through it It explains how the politics around slavery led to an unbridgeable divide between North and South and examines the strategies that led to the Union's eventual victory in 1865

**American Civil Wars** Don H. Doyle, 2017-02-02 American Civil Wars takes readers beyond the battlefields and sectional divides of the U S Civil War to view the conflict from outside the national arena of the United States Contributors position the American conflict squarely in the context of a wider transnational crisis across the Atlantic world marked by a multitude of civil wars European invasions and occupations revolutionary independence movements and slave uprisings all taking place in the tumultuous decade of the 1860s The multiple conflicts described in these essays illustrate how the United States sectional strife was caught up in a larger complex struggle in which nations and empires on both sides of the Atlantic vied for the control of the future These struggles were all part of a vast web connecting not just Washington and Richmond but also Mexico City Havana Santo Domingo and Rio de Janeiro and on the other side of the Atlantic London Paris Madrid and Rome This volume breaks new ground by charting a hemispheric upheaval and expanding Civil War scholarship into the realms of transnational and imperial history American Civil Wars creates new connections between the uprisings and civil wars in and outside of American borders and places the United States within a global context of other nations Contributors Matt D Childs University of South Carolina Anne Eller Yale University Richard Huzzey University of Liverpool Howard Jones University of Alabama Patrick J Kelly University of Texas at San Antonio Rafael de Bivar Marquese University of S o Paulo Erika Pani College of Mexico Hilda Sabato University of Buenos Aires St ve Sainlaude University of Paris IV Sorbonne Christopher Schmidt Nowara Tufts University Jay Sexton University of Oxford

**How the North Won** Herman Hattaway, Archer Jones, 1991 Covers the essential factors which shaped the battles and ultimately determined the outcome of the Civil War

**Themes of the American Civil War** Susan-Mary Grant, Brian Holden-Reid, 2009-09-10 Themes of the American Civil War offers a timely and useful guide to this vast topic for a new generation of students The volume provides a broad ranging assessment of the causes complexities and consequences of America's most destructive conflict to date The essays written by top scholars in the field and reworked for this new edition explore how and in what ways differing interpretations of the war have arisen and explains clearly why the American Civil War remains a subject of enduring interest It includes chapters covering four broad areas including The Political Front The Military Front The Race Front and The Ideological Front Additions to the second edition include a new introduction added to the current introduction by James McPherson a chapter on gender as well as information on the remembrance of the war historical memory The addition of several maps a timeline and an appendix

listing further reading battlefield statistics and battle regiment general names focuses the book squarely at undergraduates in both the US and abroad

**A Short History of the Civil War** James L. Stokesbury, 2011-03-15 The Definitive One Volume History of the American Civil War The American Civil War 1861 1865 was the pivotal conflict of the nation's history It was a war defined by savage brutality untold human costs and monumental political crises that left the literal and social landscape of the nation forever changed One hundred fifty years later it continues to hold a powerful grip on the American psyche In *A Short History of the Civil War* noted historian James L Stokesbury dramatically and concisely chronicles the important events leading up to the war and using maps recounts its decisive battles while describing the strategies and tactics of the North's and South's prominent commanders Drawing on fascinating details and little known facts Stokesbury also brings to life the generals Grant Lee Hooker McClellan Jackson and the unsung heroes of this great struggle between the Union and the Confederacy

Writing the Civil War James M. McPherson, William James Cooper (Jr.), 1998 Fourteen distinguished historians present a wide ranging discussion of the vast effort to chronicle the Civil War an undertaking that began with the remembrances of Civil War veterans and has become an increasingly prolific field of scholarship

Causes of the Civil War Shane Mountjoy, 2009 In 1861 Americans became engaged in a bloody civil war in which more than 600 000 Americans lost their lives The conflict began after several states withdrew from the Union *Causes of the Civil War The Differences Between the North and South* examines the sectional rivalries that surfaced in the early 19th century and intensified in the decades leading up to the war Two distinct American societies had developed one industrialized urban and relying upon free labor and the other rural agrarian and built upon slave labor As the United States expanded its territory westward the differences in the two sections fueled the debate over slavery and its use In the 1840s and 1850s tensions escalated resulting in the secession of the Southern states and the declaration of war between the Union and the Confederates

*Civil War* Peter Chrisp, 2012 The Civil War of 1861 65 was the bloodiest conflict in the history of the United States of America and had a huge effect on the shaping of the nation as one of the world's greatest democracies From the opening shots fired at Fort Sumter to the decisive Battle of Gettysburg and the assassination of Lincoln this book brings the story of the Civil War to life

The U.S. Civil War: A Very Short Introduction Louis P. Masur, 2020-10-01 More than one hundred and fifty years after the first shots were fired on Fort Sumter the Civil War still captures the American imagination and its reverberations can still be felt throughout America's social and political landscape Louis P Masur's *The U S Civil War A Very Short Introduction* offers a masterful and eminently readable overview of the war's multiple causes and catastrophic effects Masur begins by examining the complex origins of the war focusing on the pulsating tensions over states rights and slavery The book then proceeds to cover year by year the major political social and military events highlighting two important themes how the war shifted from a limited conflict to restore the Union to an all out war that would fundamentally transform Southern society and the process by which the war ultimately became a battle to abolish slavery Masur explains how the war

turned what had been a loose collection of fiercely independent states into a nation remaking its political cultural and social institutions But he also focuses on the soldiers themselves both Union and Confederate whose stories constitute nothing less than America s Iliad In the final chapter Masur considers the aftermath of the South s surrender at Appomattox and the clash over the policies of reconstruction that continued to divide President and Congress conservatives and radicals Southerners and Northerners for years to come In 1873 Mark Twain and Charles Dudley wrote that the war had wrought so profoundly upon the entire national character that the influence cannot be measured short of two or three generations This concise history of the entire Civil War era offers an invaluable introduction to the dramatic events whose effects are still felt today

**Civil War Day by Day** Philip Katcher,2017-09-05 Civil War Day by Day is a chronological history of the conflict Illustrated throughout with photographs illustrations and maps

**The Civil War** Bruce Catton,2005 Infinitely readable and absorbing Bruce Catton s The Civil War is one of the best selling most widely read general histories of the war available in a single volume Newly introduced by the critically acclaimed Civil War historian James M McPherson The Civil War vividly traces one of the most moving chapters in American history from the early division between the North and the South to the final surrender of Confederate troops Catton s account of battles is carefully interwoven with details about the political activities of the Union and Confederate armies and diplomatic efforts overseas This new edition of The Civil War is a must have for anyone interested in the war that divided America

Bitterly Divided David Williams,2010-04-16 The little known history of anti secession Southerners Absolutely essential Civil War reading Booklist starred review Bitterly Divided reveals that the South was in fact fighting two civil wars the external one that we know so much about and an internal one about which there is scant literature and virtually no public awareness In this fascinating look at a hidden side of the South s history David Williams shows the powerful and little understood impact of the thousands of draft resisters Southern Unionists fugitive slaves and other Southerners who opposed the Confederate cause This fast paced book will be a revelation even to professional historians His astonishing story details the deep often murderous divisions in Southern society Southerners took up arms against each other engaged in massacres guerrilla warfare vigilante justice and lynchings and deserted in droves from the Confederate army Some counties and regions even seceded from the secessionists With this book the history of the Civil War will never be the same again Publishers Weekly starred review Most Southerners looked on the conflict with the North as a rich man s war and a poor man s fight especially because owners of 20 or more slaves and all planters and public officials were exempt from military service The Confederacy lost it seems because it was precisely the kind of house divided against itself that Lincoln famously said could not stand Booklist starred review

**A History of the Civil War, 1861-1865 (Esprios Classics)** James Ford Rhodes,2021-05-15 A History of the Civil War 1861 1865 is a book by James Ford Rhodes It won the Pulitzer Prize for History in 1918 The book is about the American Civil War The civil war was fought between northern states loyal to the Union and southern states that had seceded to form the Confederate States of America The civil

war began as a result of the unresolved controversy of the enslavement of black people and its disputed continuance War broke out in April 1861 when secessionist forces attacked Fort Sumter in South Carolina just over a month after Abraham Lincoln had been inaugurated as the president of the United States

**The Story of the Civil War: The campaigns of 1862** John Codman Ropes, 1898

**The Civil War** Tom Tobin, 2016-03-28 You're About to Discover the Facts Behind the American Civil War and The Effect It Had On the United States Special Launch Price of 7.99 Regularly priced at 12.99

Discover Your History The American Civil War was perhaps the most important event in the history of the United States after the ratification of the Declaration of Independence in 1776 This was a time of turmoil in the country as numerous states tried to secede the Union with various social economic and political ramifications The effects of the Civil War can still be felt today in the way we talk the technology we use and the way we conduct our politics The key to understanding the way we live today is hidden in the history of the greatest turning point in US history the American Civil War Why Learn About the American Civil War Understand the climate at the time Understand the social issues of the era Gain insight into the relationship between the North and the South Gain insight into the issue of Slavery Understand the origins of States Rights Learn about the Different Generals Learn about important Civil War Battles Here Is a Preview of What You'll Learn The Build up to the war The importance of slavery to the South The events that led to Secession Tensions that sparked off the War The conflict sparked by the new territories The importance of the Battle of Fort Sumter Reaction to the Lincoln Election The role of Confederate Generals in the War The impact of General Lee's surrender Technical advancements made thanks to the war The Importance of major battles such as the Battle of Gettysburg Much Much More

**A Short History of the American Civil War** Paul Christopher Anderson, 2019-12-26 The American Civil War 1861-65 remains a searing event in the collective consciousness of the United States It was one of the bloodiest conflicts in modern history claiming the lives of at least 600,000 soldiers and an unknown number of civilians and slaves The Civil War was also one of the world's first truly industrial conflicts involving railroads the telegraph steamships and mass manufactured weaponry The eventual victory of the Union over the Confederacy rang the death knell for American slavery and set the USA on the path to becoming a truly world power Paul Christopher Anderson shows how and why the conflict remains the nation's defining moment arguing that it was above all a struggle for power and political supremacy but was also a struggle for the idea of America Melding social cultural and military history the author explores iconic battles like Shiloh Chickamauga Antietam and Gettysburg as well as the bitterly contesting forces underlying them and the myth making that came to define them in aftermath He shows that while both sides began the war in order to preserve the integrity of the American state in the case of the Union the integrity of a culture a value system and as slave society in the case of the Confederacy it allowed the American South to define a regional identity that has survived into modern times

**The Civil War For Dummies®** Keith D. Dickson, 2011-04-27 The Civil War was America's trial by fire its battles forged the nation we know today We're still fascinated with it the national reckoning with

slavery the legendary generals and leaders the epic and bloody clashes of armies the impact on the daily lives of ordinary people We visit its battlefields mostly idyllic patches of countryside near small towns and creeks where more Americans died in combat than in all other wars combined except for World War Two And we tell its stories of last charges brother fighting brother imprisonment and emancipation and tragedy and rebirth It is our country s epic the story of how we became who we are and what price we paid The Civil War For Dummies is your complete introduction to this seminal conflict Eschewing tedious historical pondering and military micro analysis this fun and information rich guide gives an accurate overview of the event from the war s causes through the fighting to the aftermath Inside you ll discover 1850 1860 what led to war First Bull Run illusions lost Antietam the bloodiest day The Emancipation Proclamation Heroes and goats of each major battle Jackson s Valley Campaign Sherman s March to the Sea Surrender at Appomattox And much more Full of sidebars and illustrations The Civil War For Dummies brings history to life with personalities factoids battle reports strategic maps and what ifs In addition to the military and political history you ll also find out about The African American experience in the war Women and the Civil War Native Americans and the war The life of the common soldier Banking and finance systems and the war Firsts that make the Civil War history s first modern war Civil War food Civil War tourism the best battlefields to visit and how to get the most out of your trip Written in an accessible style so you can start reading at any point in the story The Civil War For Dummies makes a great cornerstone for learning about this violent and compelling chapter of American history *The Civil War Months* Walter Coffey,2012-06-01 The Civil War obliterated Americas past along with many of the founders visions of what America should be Replacing those visions was the America that we have today Any true understanding of America both past and present must include a specific understanding of this conflict This work with a thought provoking introduction exploring the true causes of the war traces the entire story of the conflict in a concise monthly summary In addition to all the major events that shaped the war key facts that have disappeared from most mainstream texts are also included such as Both Presidents Abraham Lincoln and Jefferson Davis lost young sons during the war The legendary Robert E Lee faced intense southern criticism for military failures in the wars first year U S forces battled the Sioux Indians during the war leading to the largest mass execution in American history A former Ohio congressman was banished to the South by Lincoln for opposing the war Facts are explored and myths are exposed as the conflict is put in its proper chronological perspective For anyone seeking a general resource guide to the seminal event in American history this is required reading *Theater of a Separate War* Thomas W. Cutrer,2021-08 Though its most famous battles were waged in the East at Antietam Gettysburg and throughout Virginia the Civil War was clearly a conflict that raged across a continent From cotton rich Texas and the fields of Kansas through Indian Territory and into the high desert of New Mexico the Trans Mississippi Theater was site of major clashes from the war s earliest days through the surrenders of Confederate generals Edmund Kirby Smith and Stand Waite in June 1865 In this comprehensive military history of the war west of the Mississippi River Thomas W Cutrer shows that the

theater's distance from events in the East does not diminish its importance to the unfolding of the larger struggle *The Civil War* Thomas Streissguth, 2001 Told by citizens and soldiers this text covers the Civil War from the Southern perspective beginning with the secession of Southern states and ending with the death of the Confederacy Essays discuss the early victories of the Confederate army what life was like in the army and how the war affected the home front

As recognized, adventure as with ease as experience practically lesson, amusement, as capably as treaty can be gotten by just checking out a books **Civil War The** next it is not directly done, you could undertake even more nearly this life, on the world.

We present you this proper as skillfully as easy exaggeration to acquire those all. We come up with the money for Civil War The and numerous book collections from fictions to scientific research in any way. among them is this Civil War The that can be your partner.
