## **2000 Years Of Christs Power:**

*2,000 Years of Christ's Power Vol. 1* Nick Needham, 2016-10-07 Church History The Founding Fathers Explore the foundations of the world we live in today

**2,000 Years of Christ's Power** Nicholas R. Needham, 1998-07-01 This book was born out of the author's deep conviction that today's Christians can benefit enormously from learning what God has done in the past The mighty acts of Christ did not come to a halt soon after the events recorded in the book of Acts In every century since the first the Almighty has been at work and believers can trace his footsteps by studying the way that Christians of a previous generation faced the challenges that confronted them Back cover

**2,000 Years of Christ's Power Vol. 5** Nick Needham, 2023-03-14 In many ways I confess I do not feel especially at home in the Age of Reason My personal roots are far more among those of the Early Church Still I gladly admit I cannot help feeling my heart kindled as I read about the mighty deeds wrought in and through the Evangelical preachers of that age Thoroughly researched with beautifully linked arguments biographies context and discussions Needham provides a riveting text balancing fact and understanding in the wisdom of experience The book offers a wealth of knowledge for pastors missionaries students and professors as they pursue their own education into the response of Christians during the 18th century towards these shifts in the tides of the affairs of men Covering the period bracketing the Enlightenment Nick Needham's new volume in the 2000 Years of Christ's Power series covers the social economic political and evangelical changes across two continents

*Epic: An Around-the-World Journey through Christian History* Tim Challies, 2020-03-31 33 fascinating objects 1 amazing story Join author and pastor Tim Challies as he embarks on a three year journey spanning multiple continents and some of the most unusual places in the world Tim introduces you to thirty three carefully selected objects that help you understand the long and complicated history of Christianity in a unique and creative way Beginning with Jesus and the early church Challies looks at The importance of graffiti on an ancient jail cell The creedal significance of a carving on a museum statue The enduring importance of ancient manuscripts and books And much more Along the way you'll discover the story you're already a part of Epic features An epic journey 24 countries 6 continents 75 flights 80 museums Beautiful full color book design featuring the objects and Tim's journey The complete experience a 10 episode documentary is also available taking you on location and providing an immersive experience for understanding the history of Christianity Together we will listen to these voices of the past tell us the epic story of what God has done and continues to do in our world today Tim Challies

*2000 years of Christ's power* N.R. Needham, 1997

*Christ and Theology* Scott Stine, 2025-02-17 Tracing the relationship between Christ centered biblical theology and the so called Great Tradition this book seeks to remedy often self diagnosed weaknesses in evangelical gospel centered hermeneutics Meeting charges first that redemptive historical approaches to Scripture tend to de theologize the Bible and second that theological approaches tend to de historicize the Bible Scott Stine appropriates Calvin's famous spectacles metaphor to propose a hermeneutical method that orients the Scripture reader both upward

theologically and forward redemptive historically The outcome is a unique approach called typological realism emphasizing that God reveals his good purposes along a typological trajectory inviting believers to participate in the journey This book does not seek to offer anything new to Christian interpretation of Scripture but to join together features from oft used approaches that not only fit together thematically but also remedy reductive tendencies The goal is to help those listening to Scripture as God s shepherding voice to hear the fullness of his revelation the purposeful process that culminates in the Beatific Vision

*All Power to the Lamb* James R. Johnson,2010-12 Book Summary If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation in such a way that with sufficient effort and intellectual honesty readers can understand it Certainly there are symbols in Revelation but when God does use symbols He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist view in that it views Revelation from a literalist futurist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb s power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age
