Guide to American Camping Association Accredited Camps, 1997-1998 American Camping Association,1997-12 There are approximately 8000 camps in the U S this is the only complete listing of the 2 000 camps which have earned American Camping Association accreditation by meeting over 300 standards that apply to health safety program quality operating practices The Guide published annually features special indexes that allow a parent to find a camp by activity

special need special group or location The American Camping Association has been setting standards for camps since 1935 has been accrediting camps since 1965 It is the recognized voice of camps in the United States This directory will play a prominent part in an intensive public relations campaign to promote the camping experience beginning in February 1997 The campaign includes a satellite media tour featuring members of RADD Recording Artists Against Drunk Driving Kids a group of child celebrities who speak out for safe causes Buyers can order the book directly from American Camping Association Inc 5000 State Road 67 North Martinsville IN 46151 7902 800 428 2267 or from Independent Publishers Group 800 888 4741 Look for the 1998 99 edition coming in January 1998 **Guide to ACA-accredited Camps** ,2003 *Princeton Alumni Weekly* ,2003 **Small Business Sourcebook** ,2010 *Conservation Directory 2004* National Wildlife Federation,2003 For nearly 50 years the National Wildlife Federation Conservation Directory has served as the preeminent guide to the conservation community for a broad range of audiences Island Press is proud to be a partner with the National Wildlife Federation in producing and distributing this invaluable reference The 2004 edition will be the most comprehensive listing of conservation and environmental organizations yet published with information on nearly 4 000 government agencies nongovernmental organizations and colleges and universities as well as more than 18 000 officials concerned with environmental conservation education and natural resource use and management Included are listings of U S Congress members including committees and subcommittees state provincial and federal agencies in the U S and Canada national and international governmental organizations U S Canadian and international non governmental organizations colleges and universities with conservation programs parks refuges and other protected areas conservation information resources Each entry contains detailed contact information including names addresses and telephone and fax numbers also inclu Guide to ACA-accredited Camps ,2001 **Ulrich's Periodicals Directory** ,1989 **2014 Guide to Summer Camp** American Camp Association. New England,2014 **Controversial Issues in Adventure Programming** Bruce Martin,Mark Wagstaff,2012-05-04 Controversial Issues in Adventure Programming offers an engaging approach to the consideration of enduring current and emerging issues in the field Written primarily for upper level undergraduate and graduate students the text presents 20 issues in a debate format challenging students to participate in critical discourse concerning these issues as practitioners in the field of adventure programming Respected authors Bruce Martin and Mark Wagstaff have assembled a team of more than 50 contributors from around the globe to reassess some of the underlying assumptions on which adventure programming is based They have critically examined implications of new developments for emerging practice and discussed how best to position the field of adventure programming in addressing broader societal concerns To set the stage for the debate each issue is prefaced with a general overview including the evolution of the issue and its significance in light of broader social concerns Then contributors present the pros and cons of each issue A debate format helps students develop an understanding of the key points around each issue while also becoming familiar with current research pertinent to these

issues This approach also encourages students to grapple with these issues and begin to develop their own informed thoughtful perspectives as they prepare for careers in adventure programming Controversial Issues in Adventure Programming is divided into two parts Part I begins by discussing issues of ongoing concern in the field including the certification debate motorized versus nonmotorized forms of outdoor recreation and program accreditation In part II contemporary and emerging issues are presented such as the use of online educational programming in the field of adventure programming As a reference for practitioners and policy makers Controversial Issues in Adventure Programming offers new and updated perspectives on enduring and emerging issues as well as a synthesis of the most recent related scholarly literature In addition the text serves as a resource in understanding how the adventure programming industry can contribute to addressing issues of broad concern in society such as public health global climate change stewardship of public lands and waterways and education reform Controversial Issues in Adventure Programming encourages readers to participate in some of the central debates occurring in the field In particular this timely resource will help students broaden their understanding of the field as they critically examine and respond to a range of enduring contemporary and emerging topics in adventure programming
