2004 Multimedia Edition Donna M. Gollnick, Philip C. Chinn, 2004 For undergraduate and graduate courses in Multicultural Education and Cultural Foundations This well respected text helps students understand pluralism and the complexities of cultural backgrounds and how to use this knowledge successfully in the classroom It appropriately describes seven critical microcultures to which students and teachers belong class ethnicity and race gender exceptionality religion language and age These microcultures form the foundation for understanding pluralism and multicultural education Although this version has many new additions the authors goal remains the same to help teachers deliver an equitable education for all students *Democracy and Decency* Paul R. Carr, Paul L. Thomas, Brad J. Porfilio, Julie A. Gorlewski, 2016-02-11 This book critically analyzes democracy exploring its various concepts and how power influences it It connects democracy with education examining how education shapes democratic values Through 20 chapters it reappraises normative power dynamics and proposes more socially just forms of democracy

**In Pursuit of an African Traditional Dance** Thomas Jing, 2022-02-28 Africa is rich in neo traditional dances yet not much exists in the form of written literature on the subject Even worse existing documents date back to the colonial period and are often disparaging Dance to Africans is what martial arts are to Asians Embedded in them are some of the solutions to many of the problems wracking the African diaspora gang violence drug addiction and high school dropout rates etc When Guinea s Ballets Africains first bursts on the international scene in the late fifties and sixties the black revolution in the US was in full swing The troupe s emancipatory message enkindled in African Americans a new sense of cultural pride and a return to their African roots For once dance became something else other than the ballet With that burst of enthusiasm came the need to introduce African dances in the academia Most of the research however focused mainly on dances which use drums djembe Departing from that tradition in this detailed and richly choreographed ethnography on the Buum Oku Dance Yaounde Thomas Jing s investigation into a xylophone based dance opens up new research avenues and exposes the challenges involved An Afrocentric theoretical framework to the research counters imperialist notions of African dances thus setting them up as a tool for emancipation

**Teaching in America** Charles B. Hutchison, 2005-08-26 Scenario One Imagine a teacher walking into a classroom The students stood up to greet the teacher on his or her entrance through the door and remained standing until they were beckoned to sit down The students then sat down with their eyes fixed on the teacher waiting for instructions on what to do next The teacher was in absolute control knew exactly what was going on and what to expect from the students On their part the students knew exactly what to expect from the teacher standing up to greet the teacher on his or her entrance into the classroom was normal In fact it was cultural They had therefore not done anything extraordinary The teacher proceeded to have a very good class period Nothing different was expected this was a normal day Scenario Two Imagine the same teacher with the same expectations as in Scenario One walking into a different classroom The students did not stand up to greet him

or her they did not know about such a tradition nor was it a part of their culture In fact some were standing and chatting with friends as he or she entered the classroom

The Seventh Edition of this well-respected text now emphasizes self-reflection and provides real classroom video to help you relate to, understand, and celebrate the seven cultures or micro-cultures that you may encounter in your own future classrooms, including class ethnicity and race, gender, exceptionalities, religion, language, and age. **SELF REFLECTION OPPORTUNITIES** NEW Opportunity for Reflection Margin Note indicates questions located within the narrative that encourage you to stop and think critically about chapter content, connect it to your own past experiences or the experiences of others around you, and then consider what you might do if you were the teacher. **Critical Incidents** feature provides you with an opportunity to examine your feelings, attitudes, and possible actions or reactions to each real-life or hypothetical school or classroom scenario. **Pause to Reflect** feature includes questions and activities to promote self-awareness and ownership of your past experiences and how they can influence current and future teaching practice in a diverse classroom. **APPLICATION OPPORTUNITIES** NEW Portfolio Activities are linked to INTASC standards and located at the end of every chapter. These activities encourage you to begin to think reflectively and begin to construct professional portfolio entries. **NEW A Focus Your Lens Debate** feature presents a controversial school issue with for and against statements for your consideration. **SEEING DIVERSITY IN ACTION** NEW Explore Diversity feature directs you to the interactive Exploring Diversity A Video Case Approach CD-ROM and accompanying activity guide that provide examples of culturally responsive teaching related to chapter content. **o** Introduces you to what a culturally responsive classroom looks like, how to plan, teach, and foster a culturally responsive classroom while preparing you to meet the culturally responsive teaching requirements of the INTASC standards. **ABC News Video Insights and DVD** includes 5 new videos for a total of 18. **o** Introduces you to real-life issues that exist in schools today and provides a synopsis of the accompanying video segment along with thought-provoking questions that challenge you to consider the real-life experiences presented. *Multicultural Education in a Pluralistic Society, Student Value Edition* Donna M. Gollnick, Phillip C. Chinn, 2012-02-23 This best-selling text offers a balanced approach to issues as it explores today's multicultural landscape and how to prepare teachers to use equitable and reflective decision-making in their multicultural classrooms. The ninth edition of *Multicultural Education in a Pluralistic Society* was designed to introduce prospective teachers to the different cultural groups to which students and their families belong. In this time of extensive standardized testing, we must remember that students are the center of teaching. We have to understand and build on their cultures and experiences to help them learn at the highest levels. In this regard, this book provides background on the diversity of the nation's students, explores the social and educational issues faced by teachers in diverse classrooms, and guides the reader to think critically and reflectively about their decisions as a teacher in a multicultural education classroom.
