evaluative reference resource that really delivers on its promise look no further In addition to print sources The New Walford
naturally covers an extensive range of e reference sources such as digital databanks digital reference services electronic
journal collections meta search engines networked information services open archives resource discovery services and
websites of premier organizations in both the public and private sectors But rather than supplying a list of all available
known resources as a web search engine might The New Walford subject specialists have carefully selected and evaluated
available resources to provide a definitive list of the most appropriate and useful With an emphasis on quality and
sustainability the subject specialists have been careful to assess the differing ways that information is framed and
communicated in different subject areas As a result the resource evaluations in each subject area are prefaced by an
introductory overview of the structure of the relevant literature This ensures that The New Walford is clear easy to use and
