### **30 Pieces Of Silver:**

*The Thirty Pieces of Silver* Lucia Travaini, 2022-01-19 The Thirty Pieces of Silver Coin Relics in Medieval and Modern Europe discusses many interconnected topics relating to the most perfidious monetary transaction in history the betrayal of Jesus by Judas for thirty pieces of silver According to medieval legend these coins had existed since the time of Abraham's father and had been used in many transactions recorded in the Bible This book documents fifty specimens of coins which were venerated as holy relics in medieval and modern churches and monasteries of Europe from Valencia to Uppsala Most of these relics are ancient Greek silver coins in origin mounted in precious reliquaries or used for the distribution of their wax imprints believed to have healing powers Drawing from a wide range of historical sources from hagiography to numismatics this book will appeal to students and academics researching Late Antique Medieval and Early Modern History Theology as well as all those interested in the function of relics throughout Christendom The Thirty Pieces of Silver is a study that invites meditation on the highly symbolic and powerful role of money through coins which were the price value and measure of Christ and which despite being the most abject objects managed to become relics **All the Apostles of the Bible**

Herbert Lockyer, 1988-09-27 These studies on the character of the Apostles form a complete series on the lives times and ministries of those men chosen by God to declare his message to the world **30 Pieces of Silver** Jonas Clark, 2004-09 When Jesus betrayed Jesus he was paid thirty pieces of silver When he tried to return the money the chief priests said This money was paid to have a man killed We can't put it in the temple treasury They could pay we learn for Jesus murder with the silver but they couldn't put it back in the church's bank account That's the murderous spirit of religion that is still lurking about actively seeking to destroy His Church and your life The religious spirit did not disappear after the resurrection of Jesus

*THE FUNDAMENTALS OF THE CHRISTIAN FAITH* Edward D. Andrews, Reuben Archer Torrey, 2022-01-23 Biblical criticism originally known as Higher criticism of the Bible got started throughout the 18th and 19th centuries At that time Protestant scholars attacked the Bible an intellectual academic attack They devised a method of studying the Bible that became known as higher criticism and now biblical criticism These Bible critics taught that most of the Bible contained legend and myth Some even claimed that Jesus never existed For the liberal moderate Bible scholar then and now the Word of God the Bible has become the word of man and a very chaotic distorted word at that The modern day liberal moderate Bible scholar says that much of the Bible is just wrong This thinking is the result of biblical criticism Biblical higher criticism is conjectural and uncertain doubtful in the extreme Today these Bible scholars who make up most of our seminaries explain the Bible accounts of miracles as myths legends or folk tales They do not even entertain the idea that there is the possibility that they actually occurred This viewpoint is subjective and gives no reliable reason to reject the Bible as inspired fully inerrant authentic and trustworthy Biblical criticism is highly defective and its centuries long assault on the Bible has not proven that the Bible is not the Word of God Many conservative Christians have been doing their best to defend God's Word

Herein THE FUNDAMENTALS OF THE CHRISTIAN FAITH puts Biblical Criticism on trial judging their claims as subjective based on or influenced by personal feelings or opinions not objective factual actual real empirical verifiable in biblical studies
