3 Plays Abt Drs Simon & Schuster Adjustme, Simon and Schuster Staff, 1968-07 **Biographical Plays About Famous Artists** Daniel Meyer-Dinkgrafe, 2009-10-02 Since the late 1970s more than 200 biographical plays about famous artists composers fine artists poets actors etc were written and staged in the United Kingdom The book analyses the range of these plays arguing that the dramatists often place the main artist character s in an adverse situation inward e g mental illness or outward a personal enemy or an anonymous power such as war Against the background of such adverse forces the artist characters tend come across as flawed human beings At the same time most plays take care to provide good insights into the artists genius and their artistic integrity in the face of the adversity The book also addresses the question why there have been so many biographical plays about famous artists over the past twenty five years providing answers in the context of theatre history and developments across academic disciplines and society as a whole **Plays about the Theatre in England, 1737-1800** Dane Farnsworth Smith, M. L. Lawhon, 1979 This work is the late author s manuscript abridged and edited by M L Lawhon It follows his earlier volume of similar title for the years 1671 1737 continuing that study through the remainder of the eighteenth century In addition to Sheridan s *Critic* the book treats little known plays of the lesser playwrights of the period Illustrated Chess Sparks John Henri Ellis, 1895 **Henri de Rothschild, 1872-1947** Harry W.
