**Parent's Guide to 4th Grade** Ricki Winegardner, 2001 During your initial read of this resource you may find that some of the key points are not yet relevant to your child. Imagine if you will reading the owner's manual to your car. Initially you may peruse the manual finding that not all of the features or instructions are immediately helpful but as you drive the car for a period of time you may find yourself referring to the manual to find important information. Use this book in the same manner. Read initially to gain a baseline understanding of what to expect this year then pick up the book throughout the year when you are faced with new questions or difficulties. By the end of the fourth grade you may have a book with dog-eared pages, highlighted passages, and favorite nuggets of information.
