Bowker's Directory of Videocassettes for Children 1999 R R Bowker Publishing, Bowker, 1999-03     The Animated Film Collector's Guide David Kilmer, 1997 In the age of video nearly every film ever made is available on video somewhere The only problem is finding it This guide lists both title and producer nearly 3000 animated films the sources of their video copies with the sources telephone fax numbers postal address and e mail Included are many hard to find films This is the only source of information you will need to track it down An added bonus is a listing of more than 200 films that have won major prizes at animation festivals and or placed on animation polls     Graphic Novels Michael Pawuk, David S. Serchay, 2017-05-30 Covering genres from adventure and fantasy to horror science fiction and superheroes this guide maps the vast terrain of graphic novels describing and organizing titles to help librarians balance their graphic novel collections and direct patrons to read alikes New subgenres new authors new artists and new titles appear daily in the comic book and manga world joining thousands of existing titles some of which are very popular and well known to the enthusiastic readers of books in this genre How do you determine which graphic novels to purchase and which to recommend to teen and adult readers This updated guide is intended to help you start update or maintain a graphic novel collection and advise readers about the genre Containing mostly new information as compared to the previous edition the book covers iconic super hero comics and other classic and contemporary crime fighter based comics action and adventure comics including prehistoric heroic explorer and Far East adventure as well as Western adventure science fiction titles that encompass space opera fantasy aliens post apocalyptic themes and comics with storylines revolving around computers robots and artificial intelligence There are also chapters dedicated to fantasy titles horror titles such as comics about vampires werewolves monsters ghosts and the occult crime and mystery titles regarding detectives police officers junior sleuths and true crime comics on contemporary life covering romance coming of age stories sports and social and political issues humorous titles and various nonfiction graphic novels     Video Source Book Gale Group, 1999-10-28 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction     **The Video Source Book** David J. WEINER, 1990     **The Publishers Weekly**, 1878     Comics Art in China John A. Lent, Xu Ying, 2017-07-20 International Convention of Asia Scholars 2019 Book Prize Best Art Publication In the most comprehensive and authoritative source on this subject Comics Art in China covers almost all comics art forms in mainland China providing the history from the nineteenth century to the present as well as perspectives on both the industry and the art form This volume encompasses political social and gag cartoons lianhuanhua picture books comic books humorous drawings cartoon and humor periodicals and donghua animation while exploring topics ranging from the earliest Western influenced cartoons and the popular often salacious 1930s humor magazines to cartoons as wartime propaganda and comics art in the reform Coupling a comprehensive review of secondary materials histories

anthologies biographies memoirs and more in English and Chinese with the artists actual works the result spans more than two centuries of Chinese animation Structured chronologically the study begins with precursors in early China and proceeds through the Republican wartime Communist and market economy periods Based primarily on interviews senior scholar John A Lent and Xu Ying conducted with over one hundred cartoonists animators and other comics art figures Comics Art in China sheds light on tumult and triumphs Meticulously Lent and Xu describe the evolution of Chinese comics within a global context probing the often tense relationship between expression and government as well as proving that art can be a powerful force for revolution Indeed the authors explore Chinese comics art as it continues to grow and adapt in the twenty first century Enhanced with over one hundred black and white and color illustrations this book stands out as not only the first such survey in English but perhaps the most complete one in any language
