*Simple Ways to Pray for Healing* Matthew Linn, Sheila Fabricant Linn, Dennis Linn, 1997 A Linn primer that captures the essence of what they've shared and experienced in their ministry the universal application of eight ways of praying that have the capacity to heal by virtue of their integrating contemporary spirituality with the wisdom of St Ignatius's Spiritual Exercises Full color illustrations

**12 Crucial Truths of the Christian Faith** Josh McDowell, Sean McDowell, 2024-01-09 Relational Apologetics for This Generation and the Next Mounting disenchantment with the Christian faith has resulted in a growing concern for the future of the church particularly as it relates to the most recent generations But as we seek to reach young unbelievers with the truth transformation and joy only Jesus can provide we must first understand it for ourselves In *The 12 Crucial Truths of the Christian Faith* acclaimed apologists Josh and Sean McDowell clearly and winsomely distill the essentials of a living Christian faith More than just intellectual ideas these truths are reflections of a way of life exemplified by God helping you deepen your own understanding of what you believe why you believe it and how you can align your actions with these beliefs live in right relationship with God yourself and others establish a transformative foundation of faith in the lives of generations to come Packed with examples and stories this handy reference is for Christians who want to cultivate an unshakable faith and learn how to live it out

*Systematic Theology* Augustus Hopkins Strong, 1907 I The doctrine of God II The doctrine of man III The doctrine of salvation

**The Unshakable Truth** Josh McDowell, Sean McDowell, 2011-08-01 The name Josh McDowell promises real life on the street Christian apologetics In his first Harvest House book Josh joins his son Sean to draw on his life's work and comprehensively address a vital issue why an entire generation of young Christians and millions of older believers is confused about what they believe why they believe it and how it's relevant *The Unshakable Truth* is uniquely positioned for younger Christians because it presents apologetics relationally focusing on how Christianity's doctrines affect relationships The authors ground every assertion in the overarching story of creation incarnation and re-creation distill 12 crucial faith statements for example A personal Creator God exists explain why each statement is trustworthy how it applies to real life and using examples stories and experiences what its relevance is A spiritual gold mine for parents youth workers pastors anyone wanting to reveal Christianity's relevance to today's life and culture

**Filling the Void** Jacqueline Cole, 2025-07-18 Jackie is more than just a storyteller She is a guide a friend and a seeker of truth In *Filling the Void* she shares her extraordinary life experiences insights and teachings on discovering the deepest forms of love From childhood Jackie felt an unshakable sense of searching though she could not say exactly what for As the years passed this longing led her down a path of self-destruction struggling with imbalance in her mental physical and emotional well-being She turned to food and drink in an attempt to fill the void only to find herself feeling more lost alone and disconnected than ever However within her struggles lay the seeds of transformation With raw honesty Jackie recounts how she pieced together the next steps of her life Taking a leap of faith into the unknown

she began to find healing and purpose She unveils her journey through self discovery which she calls her road trips leading her to reconnect with her feminine emotional and spiritual self Through these experiences she uncovers past life influences learns to balance the masculine and feminine within and ultimately teaches herself how to love fully and unconditionally Jackie s story is not just her own It is a guiding light for anyone searching for meaning connection and inner peace Through her teachings she empowers you to become your own transformational coach unlocking the wisdom and love that already reside within you This is a journey of self discovery healing and profound inspiration that will stay with you long after you turn the final page

Contesting Spirit Tyler T. Roberts,1998-10-19 Challenging the dominant scholarly consensus that Nietzsche is simply an enemy of religion Tyler Roberts examines the place of religion in Nietzsche s thought and Nietzsche s thought as a site of religion Roberts argues that Nietzsche s conceptualization and cultivation of an affirmative self require that we interrogate the ambiguities that mark his criticisms of asceticism and mysticism What emerges is a vision of Nietzsche s philosophy as the enactment of a spiritual quest informed by transfigured versions of religious tropes and practices Nietzsche criticizes the ascetic hatred of the body and this worldly life yet engages in rigorous practices of self denial he sees philosophy as such a practice and affirms the need of imposing suffering on oneself in order to enhance the spirit He dismisses the intoxication of mysticism yet links mysticism power and creativity and describes his own self transcending experiences The tensions in his relation to religion are closely related to that between negation and affirmation in his thinking in general In Roberts s view Nietzsche s transfigurations of religion offer resources for a postmodern religious imagination Though as a master of suspicion Nietzsche with Freud and Marx is an integral part of modern antireligion he has the power to take us beyond the flat modern distinction between the secular and the religious a distinction that at the end of modernity begs to be reexamined

*The doctrine of man* Augustus Hopkins Strong,1907 The Gifts of Near-Death Experiences Sheila Fabricant Linn,Dennis Linn,Matthew Linn,2016-01-01 Near death experiences NDEs are common well

documented and similar across cultures throughout the world Current estimates are that between 4 and 15 percent of the world s population have had an NDE Therefore almost everyone has either had one or knows someone else who has had one Some of the fascination with NDEs comes from the fact that they often result in great leaps in personal growth These leaps are characterized by the loss of the fear of death the healing of deep hurts an increase in self esteem and compassion for others a sense of union with all things and a clearer sense of how to fulfill one s purpose in life This is a book that teaches readers how to reap the benefits of NDEs without having to experience trauma In the course of their many workshops around the world the authors have discovered that when one immerses oneself in accounts of NDEs one can experience love hope healing and a sense of purpose This is the only book that systematically encourages the reader to create a spiritual and psychological healing practice based on NDEs Each chapter includes an account of a fascinating NDE followed by a series of questions meditations exercises and video links The reader is encouraged to contemplate these stories and their own lives It is truly a profound guide to both living and dying
