taken that skips over the hard work needed to create anything of truly lasting value Is it possible that all that glitters is not gold Can such a thing as easy love ever be a blessing Or is love come easy always destined to be a road to ruin Leo out of love and loyalty becomes trapped in a closet of secret love as Jimmy s life long best friend and manager And so the lucky demon fish ends up having captured two souls for the magical price of one Will Leo s love and loyalty prove stronger than the glitter of golden promises of easy love and riches Or will the demon fish steal away the blessings of love bestowed upon the two boys by the Angel of Fate and mock the heavens that seem to shun her In this life and death struggle between good and evil who shall live and who shall die In the third volume of this illustrated series The Lakeside Fairy Tales we explore more of the Boystown Chicago parallel universe of Center City through the lives and loves of her diverse community Come share another story with me about a new love and catch up with all of the characters from the series as all their lives and loves mix and swirl and flow together I each new story All of them just like us for are we not one and all but leaves in the stream Stirred and whirled by the magic of the cosmos that reigns supreme in the vast eternal waters of The Great Lake Come let me tell you a fairy tale and convince you that the magic of the cosmos is alive and real and in each and everyone of us
