At My House

Christian Drosten

At My House:

That's My House Christie Amoyo,2022-04-30 For so long I thought God didn't care about my family's finances. Boy was I wrong. As I read the Bible about His provision for us, there came a shift in my head and then in my heart. I realized that He is our true provider. God has no limits and we need to believe in His provision for us in every area of our lives. No dream or vision is too big for Him and you'll never find out what He actually wants you to do with your finances until you ask Him. Then you will be amazed at how He uses it to answer your prayers and the prayers of others. We have to start somewhere. It takes many little steps for us to see the fullness of what He wants for us. Your finances can be a turning point in your relationship with God. As you physically take steps to trust Him, you will see a physical manifestation of the harvest of blessings in your life.

Me and My House Magdalena J. Zaborowska,2018-03-29 The last sixteen years of James Baldwin's life (1971-87) unfolded in a village in the South of France in a sprawling house nicknamed Chez Baldwin. In *Me and My House* Magdalena J. Zaborowska employs Baldwin's home space as a lens through which to expand his biography and explore the politics and poetics of blackness, queerness, and domesticity in his complex and underappreciated later works. Zaborowska shows how the themes of dwelling and black queer male sexuality in *The Welcome Table*, *Just above My Head*, and *If Beale Street Could Talk* directly stem from Chez Baldwin's influence on the writer. The house was partially torn down in 2014. Accessible, heavily illustrated, and drawing on interviews with Baldwin's friends and lovers, unpublished letters, and manuscripts, *Me and My House* offers new insights into Baldwin's life, writing, and relationships, making it essential reading for all students, scholars, and fans of Baldwin.

My House by the Sea Pippa Newton, Holidaying in Crete for the first time without her boyfriend David Sam is rescued from drowning by Alexis, a Greek treasure seeker. When she is turned out of her holiday house, he takes her to his villa where she meets his mother and has adventures on his yacht. But all is not as it seems. There are mysteries to solve, relationships to figure out, and lurking danger on the island.
