At Home In Nantucket:

Nantucket Cottages and Gardens Leslie Linsley, 2015-05-26 A definitive full color book to help bring the style of Nantucket Island into your home There is something essentially charming about a simple cottage surrounded by a fence covered with roses More than 1 200 of these houses can be found on Nantucket Island Nowhere in this country are there more charming and diverse cottages featuring small pocket gardens and window boxes than on Nantucket To a large extent the character of the island is reflective of these little early homes They were originally built by and for island residents at a time when islanders didn't require, didn't desire or couldn't afford anything larger Living small as typified by cottage living has become the responsible, chic, innovative and practical wave of the immediate future Many homeowners are rethinking their needs in regard to space opting for more quality and less quantity of space They know that a house is more than square footage and a small home is one that can be infused with special details and designed to accommodate the lifestyle of its occupants Neither size nor volume has anything to do with style and comfort The homes and gardens featured in *Nantucket Cottages and Gardens* reflect classic design elements that have been embraced in the past and continue to survive in the present Throughout this book the cottages of Nantucket will inspire those who are building, new, renovating or decorating a small home When the quantity of space is pared down more money can be spent on the things that give a house character such as built-ins, weathered wood furniture, unique art pieces and handmade textiles to name a few

and Beth are also dealing with some unwelcome competition when Chase discovers that he's losing new business bids to an upstart construction company that is underbidding by such an amount that Chase can't imagine how they are making a profit. And speaking of babies, Victoria isn't the only one who isn't sure she wants to have children. Now that she and Tyler are married, Kristen has been thinking a lot about that as well. In the Heart of the Sea Nathaniel Philbrick, 2001-05-01. From the author of *Mayflower*, *Valiant*, *Ambition*, and *In the Hurricane's Eye*, the riveting bestseller tells the story of the true events that inspired Melville's *Moby Dick*. Winner of the National Book Award, Nathaniel Philbrick's book is a fantastic saga of survival and adventure steeped in the lore of whaling with deep resonance in American literature and history. In 1820, the whaleship *Essex* was rammed and sunk by an angry sperm whale, leaving the desperate crew to drift for more than ninety days in three tiny boats. Nathaniel Philbrick uses little-known documents and vivid details about the Nantucket whaling tradition to reveal the chilling facts of this infamous maritime disaster. *In the Heart of the Sea* recently adapted into a major feature film starring Chris Hemsworth is a book for the ages.

Prisons and Reformatories at home and abroad Edwin Pears, 1872. *The Decorative Arts and Crafts of Nantucket* Charles Hope Carpenter (Jr.), Mary Grace Carpenter, 1987.

The Other Islanders Frances Ruley Karttunen, 2005. Contrary to what public history and popular literature might have led us to believe, Nantucket is historically an island of rich cultural diversity. Here, author Frances Ruley Karttunen introduces us to the original Nantucketers, the Wampanoags, as well as to African slaves, Pacific Islanders, Irish refugees, Azoreans, and Cape Verdeans who over the years have found a home on Nantucket. Here, too, is a look at the island's connection to Jamaica, the Middle East, Europe, and Asia—all sources of people who have contributed to the island's economy and added dimensions to Nantucket's culture.
