At The Point Of Need Living Human Experience:

Three Worlds of Collective Human Experience: Individual Life, Social Change, and Human Evolution Victor N. Shaw, 2018-08-22 This book explores three worlds shared by the humans in their collective experiences It identifies and explores the world of commonsense the world of religion and the world of science as three essential dimensions of human experience The book helps understand that humans can gain comfort and pleasure in commonsense achieve meaning and purpose from religion and attain truth and rationality through science It actively applies theories to and develops theoretical explanations from different domains or situations of human existence This book is of interest to theorists researchers instructors and students across major academic disciplines in the humanities and social sciences

Encyclopedia of Death and the Human Experience Clifton D. Bryant, Dennis L. Peck, 2009-07-15 Death and dying and death related behavior involve the causes of death and the nature of the actions and emotions surrounding death among the living Interest in the varied dimensions of death and dying has led to the development of death studies that move beyond medical research to include behavioral science disciplines and practitioner oriented fields As a result of this interdisciplinary interest the literature in the field has proliferated This two volume resource addresses the traditional death and dying related topics but also presents a unique focus on the human experience to create a new dimension to the study of death and dying With more than 300 entries the Encyclopedia of Death and the Human Experience includes the complex cultural beliefs and traditions and the institutionalized social rituals that surround dying and death as well as the array of emotional responses relating to bereavement grieving and mourning The Encyclopedia is enriched through important multidisciplinary contributions and perspectives as it arranges organizes defines and clarifies a comprehensive list of death related perspectives concepts and theories

Key Features Imparts significant insight into the process of dying and the phenomenon of death Includes contributors from Asia Africa Australia Canada China eastern southern and western Europe Iceland Scandinavia South America and the United States who offer important interdisciplinary and cross cultural perspectives Provides a special focus on the cultural artifacts and social institutions and practices that constitute the human experience Addresses death related terms and concepts such as angel makers equivocal death end of life decision making near death experiences cemeteries ghost photography halo nurses caregiver stress cyberfunerals global religious beliefs and traditions and death denial Presents a selective use of figures tables and images

Key Themes Arts Media and Popular Culture Perspectives Causes of Death Conceptualization of Death Dying and the Human Experience Coping With Loss and Grief The Human Experience Cross Cultural Perspectives Cultural Determined Social Oriented and Violent Forms of Death Developmental and Demographic Perspectives Funerals and Death Related Activities Legal Matters Process of Dying Symbolic Rituals Ceremonies and Celebrations of Life Theories and Concepts Unworldly Entities and Events With an array of topics that include traditional subjects and important emerging ideas the Encyclopedia of Death and the Human Experience is the

ultimate resource for students researchers academics and others interested in this intriguing area of study

Death, Society and Human Experience (1-download) Robert Kastenbaum,2015-07-22 Providing an understanding of the relationship with death both as an individual and as a member of society This book is intended to contribute to your understanding of your relationship with death both as an individual and as a member of society Kastenbaum shows how individual and societal attitudes influence both how and when we die and how we live and deal with the knowledge of death and loss Robert Kastenbaum is a renowned scholar who developed one of the world s first death education courses and introduced the first text for this market This landmark text draws on contributions from the social and behavioral sciences as well as the humanities such as history religion philosophy literature and the arts to provide thorough coverage of understanding death and the dying process Learning Goals Upon completing this book readers should be able to Understand the relationship with death both as an individual and as a member of society See how social forces and events affect the length of our lives how we grieve and how we die Learn how dying people are perceived and treated in our society and what can be done to provide the best possible care Master an understanding of continuing developments and challenges to hospice palliative care Understand what is becoming of faith and doubt about an afterlife

Death, Society, and Human Experience Robert Kastenbaum,Christopher M. Moreman,2024-03-28 The 13th edition of Death Society and Human Experience provides a panoramic overview of the ways that we are touched by death and dying both as individuals and as members of society A landmark text in the field the authors draw on contributions from the social and behavioral sciences as well as the humanities including perspectives offered through history philosophy religion literature and the arts to provide thorough coverage and understanding of topics associated with the end of life and death and dying By approaching the subject from multiple angles the authors explain the various ways that individual cultural and societal attitudes influence both how and when we die and how we live and deal with the knowledge of death and loss Originally written by Robert Kastenbaum a renowned scholar who developed one of the world s first death education courses Christopher M Moreman who has worked in the field of death studies for two decades has updated this edition In addition to infusing his close areas of focus both in afterlife beliefs and experiences and how these might affect how people live their lives he s weaved in new coverage of current affairs including The impact of COVID 19 on experiences of death bereavement mourning and more Expanded legalization of physician assisted dying in the United States and several countries Changes in bereavement rituals and traditions stemming from technology use and social media With additional content and classroom extensions available online Death Society and Human Experience remains a thoughtful exploratory and impressively comprehensive overview for undergraduate and graduate courses in death dying and bereavement
