Bugging the Atlantic Salmon Michael

Brislain,1995-06-01 Bugging the Atlantic Salmon is full of fishing yarns close analysis of salmon fishing experiences and photos and drawings showing how to tie the patterns Michael Brislain also demonstrates with step by step instructions and bird s eye view drawings how to cast bugs most effectively **Ecology and Management of Atlantic Salmon** D. Mills,1989-01-31 Reviews advances in the understanding of the biology ecology and management of the Atlantic salmon throughout its geographical range and examines the effects on salmon of afforestation pollution acid rain water abstraction and changing agricultural methods The rapid escalation of salmon farming with its impact on wild stocks is analyzed as is the increasing threat of over exploitation on both the open seas and in home waters **How to Catch More Salmon** Henry J. Giles,2019-06-19 Philosophy on the fly Even if your salmon tally remains the same the keen fisherman will feel as though he has spent a useful afternoon reading The Field How to Catch More Salmon is about fishing according to the application of principles and practicalities that will not stop at a first salmon but go on to catching more salmon whether or not that is your final destination It is not unique to fishing that a beginner can coexist with the expert and at times enjoy near parity in terms of sporting success But as Charles Ritz wrote in his quirky and brilliant classic A Fly Fisher s Life More than all else I like watching other fishers and examining their tackle In helping beginners I often learn as much as they do Whether your passion for fishing takes you globetrotting like Ritz or not this book invites you along for the experience while sharing sporting insight at all levels from luminaries of today s on and offline media It is an aim of the book that this melting pot will draw real results from the techniques and conclusions that emerge in terms of fish caught and opportunities taken Think and catch more fish is a central theme but to enjoy the sport via more nuanced and philosophical aspects is key Get it teach it and share it wherever you may fish Enhance the common good and turn the dream of a fishing lifetime into new reality
