The *London Local SEO for Small Business* book is a concise guide that provides insights on how to effectively implement local search engine optimization SEO strategies for small businesses in London and World It explains the importance of local SEO the key tactics to use and common mistakes to avoid The book covers various topics such as optimizing Google My Business creating local content using online directories and getting online reviews Whether you are a small business owner or a digital marketer this book offers practical tips to help your business rank higher on search engines and attract more customers *Meet Your Community* David Hurme,2019-08-04

For businesses to survive they must have continuous sales To have constant sales you must have a continuous flow of potential customers To have a continual stream of customers customers need to find you However most businesses are not spending the time to ensure that potential customers can locate their business Alternatively the potential customer may not know the company exists Therefore the small and medium sized

business will continue to lose potential traffic to larger organizations These more prominent companies can employ external consultants to help them be found on the search engines We wrote the book *Meet Your Community A Guide to Implementing Local SEO for your Business* with the small and medium sized business owner in mind As a consulting firm we recognize that the cost of outsourced help can be a limitation for some businesses Therefore the book was designed to take the business owner on a path so that they can do Local SEO themselves Local SEO can help their business be discovered in local search The path of the book begins by explaining what Local SEO is and what traditional SEO is We then introduce you to Google My Business and Bing Places and walk you through the process of establishing your business profile with them The book then addresses things that you can do for your website that will help increase your discoverability The book then moves away from your website and focuses on external sites that you can use to help drive traffic to your website We then talk about reviews and Questions and Answers that will play an essential role in driving your Local SEO presence We provide an excellent terms glossary for you to refer to and a summary resource list of websites mentioned throughout the book The book provides you with the roadmap we followed in doing Local SEO for our business We have created a separate pdf that you can download and print from our website the passcode is in the book We also created a citation information worksheet that you can download as well to help when you create your citation entries Last but not least we created a Closed Support Group to help you with any questions you have as you implement Local SEO for your business The passcode for the group can be found in the book You can also get a free Local SEO analysis of your business from our website that can identify areas for improvement Local SEO is a journey and *Meet Your Community* will hopefully be the compass for small and medium sized business owners
