The Sustainability Mindset Principles Isabel Rimanoczy, 2020-11-29 As we increase our awareness of the planetary challenges and how they intersect with the discipline or profession we choose to focus on we have put our attention on the external forces and impacts What remains untouched however is the set of beliefs values assumptions mental processes and paradigms that we hold and share our mindset But how do we change a mindset This book is the first to introduce the 12 Principles for a Sustainability Mindset presenting educators with a framework that makes it easy to include them into teaching plans and lessons of any discipline Written in a very clear and practical way the book provides examples checklists tips and tools for professionals and educators It transforms the development of a much needed mindset for sustainability into an accessible fun and intuitive task The book is written with educators from a variety of disciplines in mind including but not limited to management educators coaches and trainers No other book comes close to providing such a well organized and solid way of starting to shift our mindsets in the direction of sustainability

Instagram Guides For Beginners Red Noah, Social media users are becoming increasingly lazy The ease of the online world and the instant gratification have led us to not bother with things that require us to go slightly out of our way anymore This means that users do not want to have to leave an app to get more information they want it integrated seamlessly into their feeds otherwise they will just scroll on Being able to create a compilation of posts around a certain theme is a brilliant way to recommend content to your audience From sharing recommendations to creating informational threads Instagram Guides are the best way to share new forms of information with your audience From this ebook you will gain a comprehensive understanding of the feature an overview of Instagram Guides and knowing when to use them Here is what you ll learn Basic information about the Instagram platform What Instagram guides are How to use Instagram Guides Knowing whether Instagram Guides are the right post type Pros of Instagram guides Cons of Instagram guides A step by step method for creating guide Creating different types of guides Information about product guides Information about places guides Information about posts guides Some inspiration for guides you can create How to promote your guides The mystery of the Instagram algorithm How to build a following Making sure you are a business account Using guides to remain on brand How to tell the success of content

Instagram Guide for Beginners and Dummies Mey Irtz, 2021-05-08 The ways in which we use social media are constantly changing and evolving While initially a place for users to share photos with their family and friends and post aesthetically pleasing updates for people to be able to see what is happening in their lives social media has increasingly become more integrated within consumer culture Social media platforms have become increasingly more geared towards driving

engagement and generating ad revenue Some audiences who are primarily still using social media to connect and be social have been more resistant to this switch but others love this integration There are a plethora of ways to bridge this gap and encourage all types of audiences to engage willingly and happily with business accounts As everyone surely knows Instagram is one of the most popular photo sharing platforms on social media today According to Instagram's own data over 200 million users visit at least one business profile each day 60% of users say that they have discovered a new product on Instagram and one third of the stories that receive the most views are posted by businesses As with the social media market as a whole there has been a shift from Instagram being a social platform to it being a media platform that places emphasis on unique content creation as well as business and marketing
