**Ongoing Crisis Communication** W. Timothy Coombs, 2018-11-29 Ongoing Crisis Communication Planning Managing and Responding provides an integrated approach to crisis communication that spans the entire crisis management process and crosses various disciplines A truly integrative and comprehensive text this book explains how crisis management can prevent or reduce the threats of a crisis providing guidelines for how best to act and react in an emergency situation The Fifth Edition includes new coverage of social media social networking sites and terrorist threats and includes expanded discussions of internal crisis communication and intuition in decision making

**Seconds to Midnight** Henry Nielsen, Casper Andersen, 2025-11-26 Seconds to Midnight is a concise history of nuclear weapons tracing their development from the scientific breakthroughs of the 1930s to the Cold War arms race between East and West and on to today's nuclear hotspots in India North Korea Taiwan and Iran The book also explores efforts to contain this danger through international treaties scientific advocacy and public protest movements responses to what remains one of the most serious threats to global security and human survival By providing essential context the book helps readers understand the urgency of today's nuclear dilemmas

**Strategic Communication in Context: Theoretical Debates and Applied Research** Sara Balonas, Teresa Ruão, María-Victoria Carrillo, 2021-07-30 Strategic communication is becoming more relevant in communication sciences though it needs to deepen its reflective practices especially considering its potential in a VUCA world volatile uncertain complex and ambiguous The capillary holistic and result oriented nature that portrays this scientific field has led to the imperative of expanding knowledge about the different approaches methodologies and impacts in all kinds of organisations when strategic communication is applied Therefore Strategic Communication in Context Theoretical Debates and Applied Research assembles several studies and essays by renowned authors who explore the topic from different angles thus testing the elasticity of the concept Moreover this group of authors represents various schools of thought and geographies making this book particularly rich and cross disciplinary

Crisis Clock: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Crisis Clock : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Crisis Clock : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
